ARE YOU CONNECTED ON CANVAS?

Stay connected with Canvas!! Canvas is the communication tool used between teachers and parents/guardians. On Canvas, you can receive notifications anytime your students' teachers post within the app, including events on the school calendar! Canvas is available to download on iOS, Samsung, and on desktop. When creating an account, you will need a unique "pairing code" that can be generated by either your teacher or the schools secretary. Reach out if you have any Canvas questions or need any help getting connected!

Thank you to all the parents and guardians that were able to make time out your busy schedules to come to conferences! If you were unable to make it, don't hesitate to reach out to your students' teachers with any questions, comments and/or concerns.
