

GREENSBURG SALEM SCHOOL DISTRICT

PRE-APPRENTICESHIP PROGRAM

Semester 1
Students begin to study for the MT1 exam and expand knowledge base.

CLASSROOM

Students engage in current world event discussions relating to business/finance and learn soft skills.

BUSINESS LUNCHES

Students take a Manufacturing Technician Level 1 Exam.

MT1 CERTIFICATION

Semester 2
Students work as pre-apprentices for the companies they are matched with for a total of x hours per week.

WORK EXPERIENCE

ACCEPTANCE

Interested students must apply, submit a resume and go through an interview process to enroll in the course.

COMPANY TOURS

Semester 1
Students visit each company to learn the full scope of the business.

COLLEGE CREDIT

Students are earning college credit with WCCC.

COMPANY/STUDENT MATCH

Companies make an offer to students for a paid pre-apprenticeship.

POST-SECONDARY

Upon graduation, job offers are made for paid apprenticeship positions within these companies. Students work full-time while earning an associates degree.
