

# Norridge School District 80

## Our Mission and Vision

### Inspiring Educational Excellence in a Nurturing Environment

Norridge School District 80 serves the Norridge and Harwood Heights community and has two schools, John V. Leigh Elementary School and James Giles Middle School. Our vision is that students are the focus of all we do at Norridge School District 80. The student-centered classroom will promote an independent, collaborative, and motivated learning environment. Our administrators, teachers, and staff will set high standards in a safe, nurturing, and positive school environment. Our graduates will be prepared to take on their future with confidence.

## Freedom of Information Act

In compliance with State Law (5 ILCS 140/4), each school district is required to post specific information regarding the school district as part of FOIA (Freedom of Information Act) requirements on its website. If the information you are seeking is not found on the district website, [www.norridge80.net](http://www.norridge80.net), you may request inspection and/or copies of existing documents using the Request for Examination and/or Copies of Public Records Pursuant to the Freedom of Information Act (this form is provided for your convenience to help expedite the search process. Its use is not required; however, all requests must be made in writing). The form is available at **Norridge School District 80, 8151 W. Lawrence Ave., Norridge, IL 60706** or it can be downloaded from our website, [www.norridge80.net/freedom-of-information-act](http://www.norridge80.net/freedom-of-information-act). Requests should be submitted to Eileen Peters, FOIA Officer. Requests may also be emailed to: [epeters@norridge80.net](mailto:epeters@norridge80.net).

When a written request for information is received, our district must comply within five working days. Under certain circumstances the response time may be extended for up to five additional working days. If this happens, you will be notified by letter at the end of the first five days specifying the reason for the delay.

The fundamental right guaranteed by the Act is the right of inspection. While you may obtain copies of records requests, you are not required to purchase copies of records in order to gain access to them. When copies are requested, a public body may charge fees reasonably calculated to reimburse it for the actual cost of reproducing and certifying public records. The first 50 pages of black and white copies on letter or legal sized paper carry no fees. Anything beyond is 15 cents per page.

Questions concerning requests may be directed to Eileen Peters, D80 FOIA Officer, at [epeters@norridge80.net](mailto:epeters@norridge80.net). Additional information about FOIA requests can be found on the website, [www.norridge80.net/freedom-of-information-act](http://www.norridge80.net/freedom-of-information-act).
