## Y12 - EDT Residential Insight into University 2024

These Residential Insight into University courses can give you an insight into university life, help you decide which degree course might be right for you and also enhance your UCAS application. Courses run over 4 or 5 days. The following courses are available:

- Materials Science at the University of Oxford, 17th June – 21st June 2024 - 4 nights residential
- Materials Science at the University of Cambridge, 30th June – 4th July - 4 nights residential
- Broad based Engineering at the University of Sheffield - 4 nights residential
- Aerospace Engineering at the University of Liverpool - 4 nights residential
- Maths at Lancaster University, 29th July – 1st August 2024 - 3 nights residential
- Mechanical Engineering at UCL - 3 nights residential
- Ocean & Earth Science at the University of Southampton, 21st July – 25th July 2024 - 4 nights residential

You will get the opportunity to experience university style lectures and work on activities and group projects with the support of academics and student mentors. Throughout the duration of the course, you will stay in halls of residence and will take part in social activities in the evenings. For dates, cost, requirements, content of each course and the application form, please click [Summer Residential Courses by EDT \(etrust.org.uk\)](https://etrust.org.uk)

### Y9 – Y13 Tech trailblazers: discover your career in tech – 14 November, 5pm
