Arts & Science

Around the World in 5 Days

K - 2nd

\$179

June 12-16

Kids will do craft activities to learn about a new country. We will do outdoor games/sports that originated or are prevalent in that country. We will have a Field Day on Thursday to show off our arts and crafts and throw a celebration typical to this country. This will be a fun, full-of-activities camp that sparks children's curiosity to learn about different cultures and to explore the world. Each child will receive a passport that will be stamped each day as they "visit" a new country.

Tiny Astronauts Take Off

Ages 3 - 5

\$179

June 12-16 / June 19-23

Join Nelly on an exploration of space. Through reading and activities focused on space, children will learn about the planets in our solar system. Every day students will explore farther into space as they identify different planets and fun facts about them.

Let's Do Some Improv

2nd - 4th

\$179

June 19-23

Join us for a week of fun and on-the-spot dramatic play! Campers will explore their imaginations through activities like "Yes and...", "Shape Shifters" and "Superhero Saves". Bring your ingenuity and artistic flare for a week of creative fun!

Musical Theater

1st - 5th

\$179

June 26-30 / July 24-28

Participants will work on skills related to being on stage and learning to play a character. The instructor will focus on each individual to ensure they are comfortable in front of an audience. Camp will end on Friday with a presentation for parents.

Animals & Nature

Exploring Nature

Pre-K - 2nd

\$179

June 19-23

Campers will enjoy building bird nests, painting with natural materials, creating mud kitchen recipes, and getting DIRTY! This all-outdoor camp requires water shoes, dri-fit clothes or rash guard shirts/shorts (no bathing suits please), a healthy snack, water bottle, and a towel.

Take a Hike

2nd - 5th

\$179

June 19-23

Join naturalists Julie Smith and Karen Linehan on a week-long exploration of our local nature preserves and state parks. Students will spend Monday on Friends School campus working in centers to prepare for their upcoming hikes. Starting Tuesday, students will depart campus to visit local hiking destinations. This is a rain or shine camp and a chance for your child to build upon their understanding of our local ecology and the knowledge they need to safely explore our natural world.

Marine Life

Pre-K - 1st

\$179

June 26-30

Join us for a week of exploration and discovery as we learn about North Carolina's marine life. Sea turtles, bull sharks, and jellyfish oh my! Campers will learn through creative play, themed centers, and daily crafts. We will also enjoy singing and outdoor games that celebrate our most precious natural life!

Exercise

Catch a Wave Surf Camp

5th - 8th

\$295

June 12-16 / June 26-30 / July 10-14

Come surf with Friends in beautiful Wrightsville Beach, NC! This camp is for surfers who have the fundamentals down and want to improve their surfing in a positive, fun environment. We'll also be learning about ocean conditions and surf technique, as well as sharing waves, smiles, and stoke. **All campers are required to have prior surf experience and should bring their own foam surfboard along with any gear they might need!**

Soccer Shots

Ages 3 - 5

\$179

June 12-16 / June 19-23

Participants will be taught basic, fundamental soccer skills. Through innovative games and activities, campers will develop socialization, listening and physical skills while learning the basic rules of soccer.

Fitness Friends

2nd - 4th

\$179

June 19-23

Children will be able to unplug, connect with friends, and learn new skills and healthy habits. Our day will start with long outdoor free play followed by a yoga session. We will also learn about nutrition and make healthy snacks. Throughout the day we will play fun active games, while allowing time for relaxation, meditation, and mindful eating.

Flip, Flop, and Roll

2nd - 4th

\$179

June 19-23

This is a basic class that will teach campers body control, balance, and gymnastics techniques. Participants will learn basic tumbling skills including forward and backward rolls, headstands, jumping, and tumbling skills. The week will end with a performance for parents.

Tech, Engineering & Math

Chess

4th - 8th

\$195

June 12-16

In this class, your students will learn the basics of chess, openings, strategy, and several chess-variant games like zombie chess and two-time chess. Total beginners will have a blast without chess experience, and advanced chess wizards will develop a deeper understanding of strategy. Everyone will graduate with knowledge and joy for the game.

Game Design

4th - 8th

\$195

June 26-30 / July 24-28

Ever wanted to build your own game? Do you love Roblox or Minecraft? If so, this camp is for you. Students will learn the skills of a game maker through conceiving, designing, and creating their own mobile game app. The resulting games can be shared online and texted to friends for them to play. No previous experience or special software required.

Coding

4th - 8th

\$195

June 19-23 / July 17-21

Have you ever wanted to make your own websites and/or apps? In this innovative hands-on coding and tech camp, you will learn the skills of a coder and the mindset of an entrepreneur through building apps of your own invention and apps for local non-profits.

AI for Kids

4th - 8th

\$195

July 10-14 / July 31-August 4

Kids will harness their creativity by working on projects by themselves and alongside partners like creating AI symphonies, designing animated books, and generating animations. Campers will gain access to a suite of tools that can help with homework in the future, build familiarity with AI, and understand when and how to use this powerful new tool.

Fun with Friends

Join us for 7 weeks of Fun with Friends—a full-day camp experience, new to 2023! Each week's program will be geared towards a different theme, and every Friday will end with an awesome special event. Campers will participate in a variety of activities including outdoor games, sports, crafts, and activities that help reinforce FSW's core values of caring, responsibility, respect, and individuality. Water fun will take place 2 days per week, with either a trip to the YMCA pool or on-site water activities. (\$225/week)
