

STAFF AWARDS AND RECOGNITION

The Colorado Springs School District 11 Board of Education shall consider as appropriate the presentation of token gifts to retiring members of the staff as recognition for an extended period of time in service to the Colorado Springs School District 11 (the District) community.

This policy is not intended to limit the recognition or to provide rewards to actively working staff members for their day-to-day contribution to the District's mission and goals. Each department or school shall have the ability to establish site-based recognition and rewards for staff members.
