### Who are we looking for?

Being a good manufacturing production worker at Vestas is more than just being a part of an assembly line.

We're looking for apprentices who:

- Like working in teams
- Can be adaptable to a changing environment
- Value personal integrity
- Can communicate effectively on the job
- Can use measuring tools and gauges

### Starting Wage

Starting wage for apprentices is **\$20.50 per hour**, if you work night shift you can earn **an additional \$3/hour**
