

## Regan Gatz 2023 Outstanding Youth Volunteer

Outstanding Youth Volunteer  
Nominated by Pine Ridge High School

Regan, who is a bright and outgoing student, has volunteered well over 500 hours dedicated to the performing arts. She spends her time with the Pine Ridge’s bands, Chorus, and Theater groups performing with her peers. When she is not performing, she will be behind the scenes handling soundboards and lighting where her true passion for the Arts shines. She volunteers her time and talent to community theaters too. Regan is a dedicated and driven student. No matter if it is her as a color guard in the band or making sure performances go off without a hitch. She loves being part of a team and has no problem spending hours of volunteer time to make sure everyone does well. With all her acquired knowledge over the years learning everything she could about working with lighting and sound equipment, in the hopes to utilize what she has learned so far and to gain more experience and knowledge when she pursues her education in entertainment management.
