

TINA FREED – DELAND HIGH SCHOOL 2023 Outstanding Adult Volunteer

Tina Freed is the president of the DeLand High School Band Parents Association. She has been volunteering with the band program for the past four years. Ms. Freed is a very dedicated, hard-working, caring, and selfless person. She volunteers countless hours to help the students in the band. She is always helping with the concerts, football games, parades, practices, and fundraisers. She also volunteers for the two weeks summer camp. She is always making sure that all students are well taken care of. Ms. Freed even gives students or parents rides when they need them. For football games, she not only makes sure that the school has a rental truck to take all of the instruments and equipment to the games, most of the time she actually drives the truck herself. At the games, she is constantly making sure the students are kept safe and that they have what they need to be successful. She organizes the parent volunteers and even helps take percussion equipment on the field at halftime. To sum it up, Ms. Freed makes sure that every student, volunteer, and staff member in the band feels loved and cared for. She is always there when needed.

Outstanding Adult Volunteer
Nominated by DeLand High School
