About Eastside Catholic

OUR MISSION

Eastside Catholic School is a Catholic faith-based educational community where students learn to integrate their thinking and believing in ways that encourage intellectual excellence, nurture relationships and inspire a life of leadership and service to others.

EC is a robust community of 835 students in grades 6-12. Our unique community, academic strengths, athletic accomplishments and emphasis on spiritual and moral growth have translated into long-term life success for our students.

YOUR SUPPORT

We rely on generous sponsors and friends like you to support our mission by caring for our students, faculty and staff. This year's auction will focus on raising funds for attracting, hiring, training and retaining talented faculty and staff and continuing to provide scholarships, financial assistance and support for many other programs that are vital to our students' educational and future success.

Eastside Catholic receives no funding from state and local taxes and is a nonprofit charitable organization, so many sponsorship types may be tax deductible.
