Mission

At Jerudong International School (JIS), we challenge ourselves, respect others and inspire positive change. We develop our school through holistic school improvement in four interlinked key areas – Curriculum, Community, Capacity and Campus. Our student profile empowers students to think critically whilst actively engaging in lessons. We build capacity by ensuring students develop resilience by giving them opportunities to lead. We ensure students recognise their roles as global citizens alongside the many communities that exist within the school.

We have three core values that epitomise our approach to holistic, international education. Each of these values leads to two areas that form our six school aims.

CHALLENGE : We challenge ourselves to step outside our comfort zones, developing our resilience now to prepare for whatever the future may bring.

RESPECT : Our strength is built on relationships that embrace diversity. This means listening with empathy and communicating kindly.

INSPIRE : We reflect, innovate and create to tackle meaningful issues. Every one of us has a responsibility to inspire positive change.

It is the responsibility of all teachers to demonstrate these values themselves, with colleagues and with the students.

WIDER RESPONSIBILITIES

Colleagues at JIS are expected to contribute wholeheartedly to the wider life of the school. JIS provides holistic education to the students, so this requires a commitment from staff to contribute both in and out of the classroom and to the wide range of community events that take place across the school year.

Boarding

Between 200-250 students in the Senior School (Year 7-13) are full or weekly boarders. An understanding of the ethos of what boarding entails and the importance of it within the school would be looked upon favourably.

"JIS is committed to safeguarding and promoting the welfare of children, young people and colleagues."

JERUDONG INTERNATIONAL SCHOOL

There is a full weekend sporting and activity programme, as well as regular events that take place within the boarding community. These activities and events are an essential part of the rich tapestry of life at JIS. There are opportunities for colleagues to contribute to successfully running the Boarding Houses.

Enrichment

Co-curricular activities (CCA) form an integral part of the Enrichment Program at JIS. It is expected that staff fully support the program by offering to run or support one of the wide-ranging activities on offer to the students across the Junior and Secondary Schools. The four activity groups are: Sports and Exercise, Service Learning, Creativity and Arts, and Enriched learning.

Coaching and officiating, particularly in these key sporting areas is paramount to the success of our sporting opportunities:
