## decompose (rot)

descomponerse

lw

qurun burbur

These dead plants are decomposing.

Dead plants and animals decompose.

Slowly, they turn into soil (dirt).

Created, 2009, by Kurt Peters, Saint Paul Public Schools' Valley Branch ELC, assisted by Abdisalam Adam, Pablo Matamoros, and Pangjua Xiong, SPPS English Language Learner Department.

mushroom

shelf fungus

black knot fungus

These are different kinds of fungi.

One fung**us**; two fung**i**.

Fungi are decomposers.

Created, 2009, by Kurt Peters, Saint Paul Public Schools' Valley Branch ELC, assisted by Abdisalam Adam, Pablo Matamoros, and Pangjua Xiong, SPPS English Language Learner Department.
