

# iUpdate Digital Citizenship Checkboxes

Student Information>General>iUpdate

The iUpdate tab will house the checkboxes for the Digital Citizenship lessons. Here is a screen shot of what the tab looks like. Boxes will be checked (overnight update) on each student once they have completed the lesson and the teacher has recording completion in the grading task.

The screenshot shows a software interface with a navigation bar at the top containing tabs: Completions, Guardian Contact Log, TIP, iPad Management, Grad Info, and iUpdate (which is highlighted with a red border). Below the navigation bar are two buttons: Save (with a floppy disk icon) and Delete All (with a trash can icon). The main content area is titled 'iUpdate' and contains several form elements:

- iPad Loan Agreement:
- Tech Usage Release:
- Field Trip Release:
- Teacher/St Teacher Portfolio:
- SPPS Photo Release:
- Media Permission:
- iUpdate Final Signature:
- Online Safety:
- Digi Lesson 4 Optional:
- DigCitizenship:
- Cyberbullying:
- Digi Lesson 5 Optional:

A red rectangular box highlights the bottom half of the form, specifically the Online Safety, Digi Lesson 4 Optional, DigCitizenship, Cyberbullying, and Digi Lesson 5 Optional sections.
