

27 41 33 – Existing Television Distribution Systems

DIVISION 27 - Communications

STATEMENT OF PURPOSE & BACKGROUND

- Existing TV Distribution System:
 - Existing Coax TV Distribution System is to be removed. Tube TVs and brackets are to be removed and disposed of. Consult with the SPPS Facilities Project Manager and the SPPS Environmental Services Group for the proper disposition and recycling procedures for existing tube televisions, flat panel TVs, brackets, and TV Head ends.
 - Future distribution will be by an IP based system. Refer to infrastructure cabling section for cabling requirements.

- Revision history of section:
 - 03/04/2019 (date of adoption)
 - 03/30/2021
