Introduction to SEAC

What is SEAC:

SEAC is a group of parents, guardians, staff and community members that meet monthly to increase the involvement of parents of children with disabilities in decision making.

How does SEAC work:

At SEAC meetings members are informed and share input to improve programs and systems for students with disabilities and their families.

“What are Parents Supposed To Do At SEAC?”

- Learn** something that will benefit your child.
- Share** what you learn with people in your community (neighbor, friend, child’s teacher....)
- Ask questions and share input.**

*For more check out PACER’s SEAC materials.
