Who:
Parents who are raising school age children who have disabilities.

What:
Learn how to communicate what your child wants and needs at school using Charting the LifeCourse (CtLC) tools. All participants will create a three part portfolio for their student that can be shared with the school team.

Student Portfolio Includes
• Trajectory Vision Tool
• Integrated Supports Star
• One Page Profile

When:
• Kick off: February 23, 11 am - 12:30pm
• Session Two: March 9, 11 am - 12 pm
• Wrap Up: March 23, 11 am - 12:30pm

Sessions build on each other so please plan to attend all three

Where:
Meeting virtually over zoom
