MN CONNECT
NETWORK MEETING

Using Charting the LifeCourse to Facilitate a Successful Transition into Adulthood

WHO: Families of children (birth-21) with disabilities or extra needs and the people who support / work with them.

WHAT: MN Connect Network Session to learn about how Charting the LifeCourse can help facilitate a successful transition into adulthood for young people with disabilities or extra needs.

HOSTED BY: MN Connect Charting the LifeCourse Leadership Team. (This team is comprised of state and community collaborators with an aim to help all MN children / youth with disabilities and extra needs achieve their best life.)

March 14, 2023
Noon-1:00pm
