BVMS AWARDED BATELLE STEM GRANT

Buckeye Valley Middle School has been awarded a \$5000 classroom grant to expand STEM learning projects through the Ohio STEM Learning Network Classroom Grant Program, funded by Battelle. The school's grant is one of 233 issued this fall to create sustainable, STEM learning projects.

The grant will cover the cost of three raised garden beds, one of which will be handicap accessible. It will also cover an additional grow tower and a green energy machine. Buckeye Valley will be adding benches to the area for outside learning. All vegetables grown over the summer in the garden will be donated to the BV East Food Pantry. This is an agricultural pathway and career awareness initiative being presented to the BV 7th and 8th grade STEM students. The goal of the BV initiative is to develop an awareness of agricultural careers, pathways into the high school ag program, and possible FFA interests.

"This grant will provide another layer of experience and opportunity to all the students of BVMS. We began our STEM initiative as a lab that introduced the '5 Step Innovation Process' in the fall of 2022. This school year, we added an additional component with a new course focused on Engineering and Design. The grant from Battelle will provide additional opportunities, specifically an agricultural pathway, which can align to future experiences at the high school level and beyond," explained Dr. Matt Gallatin, Buckeye Valley Middle School Principal.

In total, 161 public schools join Buckeye Valley in winning the award.

The grant program fosters the growth of the Ohio STEM Learning Network as a public-private partnership between Battelle and the State of Ohio. Ensuring all students develop the skills to be successful in science, technology, engineering, and math (STEM) fields is Battelle's top philanthropic priority.

FINAL PUSH FOR THANKSGIVING MEAL KIT DONATIONS

The Delaware County Fight Against Hunger Games Thanksgiving Meal program is in the final stages of collecting donations for this year's Thanksgiving Meal Kits. The goal is to assemble and distribute 650 meal kits for Delaware County families.

Buckeye Valley is asking each school to collect items for the meal kits.

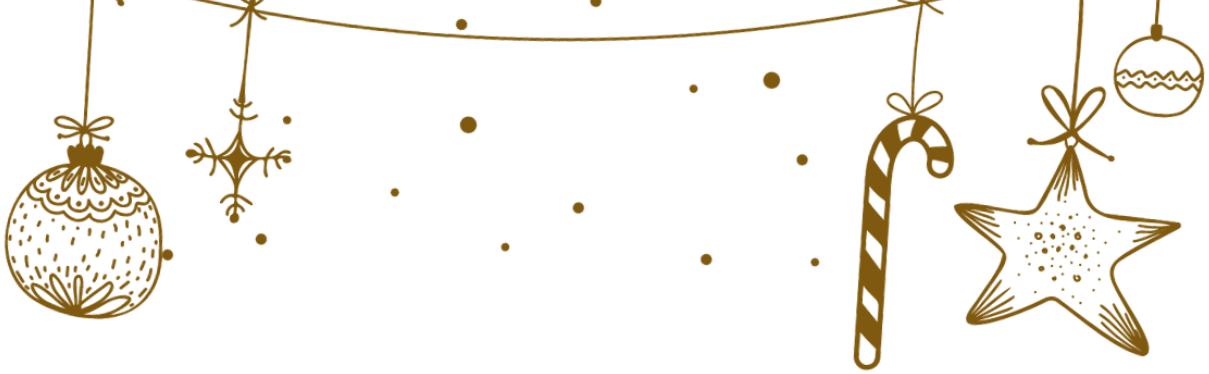

Main Campus (BVHS and BVMS): 1300 cans of carrots

BV East: 700 cans of peas

BV West: 900 cans of green beans (any style)

Donations will be accepted until **November 13**.
