- G. Occupation groups are defined by Article 15, Seniority, Section D. If an employee is so permanently reassigned, he/she will be given a six (6) weeks' trial period to demonstrate his/her ability to satisfactorily perform the work of the classification in his/her new occupation group. His/her seniority in the occupation group from which he/she is permanently reassigned shall be frozen at the amount he/she possesses as of the last day he/she works in it, and it will not further accumulate.

For purposes of Article 14, Promotions and Transfers, Section C, Article 15, Seniority, Sections C, D, and E, and Article 21, Vacations With Pay, the employee's seniority in his/her new occupation group shall commence and be measured from the first day he/she works in it, provided the employee has satisfied the requirements of E., above.

No employee shall maintain seniority in more than two (2) occupation groups. These are the one he/she is permanently assigned to and the one he/she was most recently permanently assigned to.

**ARTICLE 14**

**SENIORITY**

- A. Seniority is a guide rule and a prime factor in determining the following working conditions for employees covered by this Agreement and as provided for by its terms in the following categories:

Vacations	Demotions	Transfers
Overtime	Promotions	Layoffs

- B. An employee's seniority is recognized as an earned occupational factor resulting from his/her faithful and efficient performance of his/her assigned duties and responsibilities during the period of his/her employment with the Employer.
- C. The seniority of all employees on the list shall commence with the original hire date in the union. The Union president shall be furnished with a list setting forth, in the order of their seniority, each employee's name and classification. When more than one employee is hired on the same date, seniority will be determined by alphabetical sequence according to the last name they were hired under. Such list shall be revised each six (6) months, with copies given to the Union. A seniority list by classifications will similarly be provided.
- D. The seniority shall be applied in Sections E and F below, first within the specific classifications affected (i.e., specific positions within job titles) and then within the occupation group encompassing such classifications. The parties agree for the purposes of Sections E and F below there shall be three (3) occupation groups, as listed below. For staffing purposes, specific job titles shall be determined by the employer, after consulting with the union, to meet the district's specific needs.

Occupation Group I	Security Guards	10 month
Occupation Group II	Computer Technicians	12 month
Occupation Group III	Skilled Trades	12 month
Building Engineer		Grounds
Master Electrician/Electrician		HVAC Specialist
Preventative Maintenance Technicians		Lock & Door Technician

- E. Layoffs. Reductions in the numbers of employees in any of the three (3) occupation groups shall be according to the application of the following procedures
- a. Probationary employees in the affected classifications of an occupation group shall be terminated.
  - b. The necessary number of part time employees with the least seniority regularly working and/or scheduled for less than the standard or conventional number of daily and/or weekly hours for their classifications and/or occupation group shall next be laid off from the affected classifications of an occupation group.
  - c. The necessary number of full time employees with the least seniority and regularly working or scheduled to work for the standard or conventional number of daily and/or weekly hours shall next be laid off from the affected classifications of an occupation group.
  - d. An employee who is laid off from his/her classification may bump, if he/she has greater seniority, the employee with the least seniority in his/her occupation group as follows, (with the parties agreeing no laid off or otherwise affected employee shall be allowed to "bump up"; i.e., or otherwise progress to a higher classification in his/her occupation group by the operation of this section or Section F, nor shall a part time employee bump or cause the layoff of a full time employee):
    - i. Into a lower rated (paid) classification in his/her occupation group for which he/she is qualified either because said classification is in a direct line beneath the classification from which he/she is being laid off or bumped, or,
    - ii. Because said employee has previously satisfactorily been assigned to the classification in his/her occupation group to which he/she is being laid off or bumped to, or,
    - iii. To another classification within his/her occupation group to which his/her seniority entitles him/her where he/she can satisfactorily meet the standards and are qualified to perform the duties of the job. In the event a question arises as to the employee's ability to meet the standards and/or satisfactorily perform the normal duties of such classification, a trial period of up to five (5) working days shall be granted to settle the question.
  - e. It is expressly understood and agreed by the parties that, because of the dissimilarity in an individual occupation group and its classifications' duties and uniqueness of the normal operational functions of each occupation group, no employees laid off out of different occupation groups shall bump into or cause the layoff of any employee in another occupation group.

The parties agree the only and single exception to the above absolute prohibition on inter-occupation groups bumping may be in the case of a laid off employee who possesses frozen seniority in another occupation group, as provided for and defined in Article 14, Promotions and Transfers, Section H.

A laid off employee may, if he/she has greater frozen seniority in another occupation group than the employee with the least seniority in this same occupation group, bump that employee. The employee utilizing his/her frozen seniority to bump must also possess the qualifications for and be capable of satisfactorily performing all the duties and responsibilities of the classification to which he/she would bump and be laid off to. An employee who bumps using his/her frozen seniority shall only continue to accumulate seniority in the occupation group he/she is laid off from. His/her layoff and bump is also otherwise subject to and governed by all other provisions contained herein in Article 15,

Seniority. The employee who he/she bumps and is laid off shall not be allowed to later and during the term of his/her layoff use his/her accumulated seniority as the basis of displacing the employee who bumped him/her.

- f. The employees with the lowest seniority who remain without an assignment to a classification after the above described layoff and bumping procedures are implemented shall be the employee who shall be laid off out of their occupation groups.
  - g. In no case will a laid off employee benefit from a layoff by bumping into a promotional position.
  - h. If an employee who is also a Union officer, that is, the President, Vice President, , is to be laid off out of his/her occupation group as provided for in Section E-F above, he/she shall displace the least seniority employee in his/her occupation group who otherwise would have continued to be employed, subject to the other written provisions of Section E above.
- F. Recall. Laid off employees shall be recalled in the inverse order of the layoff--the most senior employees shall be recalled to the first opening in the classification from which the employee was laid off, or, if he/she had bumped down from his/her original position in the reduction of the work force before being laid off, to such original position. Recall will be by written certified notice, return receipt requested, to the employee's last known address on file with the school administration and shall require that the employee report for work within three (3) days after the date of delivery or proof of delivery or no delivery. See Section H.4, below.
- G. Temporary Layoffs. In the event of temporary layoffs due to acts or occurrences not initiated or controlled by the School Board, the employees immediately affected may be laid off without regard for seniority for a period not to exceed one (1) week. Temporary layoffs which exceed the one (1) week period shall thereupon be regulated by seniority application.
- H. Loss of Seniority. Seniority shall be broken and the employee shall be removed from the seniority list only for the following reasons:
- a. If the employee quits or retires.
  - b. If he/she is discharged and the discharge is not reversed through the grievance process of this Agreement.
  - c. If he/she is absent for three (3) consecutive working days without notifying the Employer and fails to give explanations for the absence and lack of notice which are satisfactory to the School Administration.
  - d. If he/she fails to return to work from layoff when recalled from layoff as set forth in the recall procedure provided herein, unless he/she gives explanations for the absence and lack of notice, which are satisfactory to the School Administration.
  - e. If he/she overstays a leave granted for any reasons, as hereinafter provided.
  - f. If he/she is on layoff for a period exceeding two (2) years or the duration of his/her seniority at the time of layoff, whichever is greater.
  - g. If he/she deliberately falsifies his/her employment application or a leave of absence application.

**ARTICLE 15**  
**RULES AND REGULATIONS**

- A. From time to time, the Employer may establish or revise its rules and regulations governing the employees. Such rules and regulations are necessary to insure an orderly performance of work and functioning of the schools. Such rules shall not conflict with the provisions set forth in this Agreement and shall be reasonable in scope and uniform in application.
- B. When new rules are established or existing rules are revised, they shall be posted prominently on all bulletin boards for a period of one (1) week before becoming effective. The Union shall be given a one (1) week prior written notice of changes in all additions to such rules and regulations.

**ARTICLE 16**  
**RIGHTS OF THE EMPLOYER**

- A. Nothing contained in this Agreement shall deny or restrict the Employer of its rights, responsibilities, powers, and authority under the Michigan General School laws or any other national, state, county, district, or local laws or regulations.
- B. Except as specifically abridged or modified by this Agreement, or by an applicable statute, all of the rights, powers, and authority the Employer had prior to the execution of this Agreement are retained by the Employer. Such rights, powers, and authority include, by way of illustration and not by limitation, the following
  - a. The executive management and administrative control of the school district.
  - b. The right to hire all employees, judge their qualifications, and determine their assignments and duties.
  - c. Determine the procedures, methods, processes, equipment, and means by which the total and efficient operation of the school district is accomplished.
  - d. Develop and exclusively control the budget of the school district.
  - e. Determine the structure, authority, and responsibilities of its school management organization.
  - f. Adopt rules and regulations.

**ARTICLE 17**  
**JURY DUTY**

- A. Any employee who is summoned for jury duty examination and investigation must notify Human Resources within twenty-four (24) hours of receipt of such notice. If an employee, who has completed his/her probationary period, is summoned and reports for jury duty, he/she shall be paid the difference between the amount he/she receives as a juror and his/her normal week's pay, not to exceed four (4) weeks, provided he/she makes himself/herself available for work within his/her regular work schedule when not occupied with jury duty.
- B. To be eligible for jury duty pay differential, the employee must furnish the Employer with a written statement from the appropriate public official listing the dates he/she received pay for jury duty. Any employee found

abusing this privilege shall not be entitled to the pay differential.

## **ARTICLE 18**

### **SICK TIME & PERSONAL DAYS**

- A. All regular and full time twelve (12) month service employees shall receive sick time of not more than 80 hours (10 days) per school year. Ten (10) month employees shall receive sick time of not more than 64 hours (8 days) per school year. Sick time hours will not be available for use until after completion of the 90 work day probationary period. Sick time hours will be pro-rated based on hire date.

Sick time shall include:

- Personal illness, injury, or quarantine.
  - Serious illness or death in the immediate family. Immediate family includes wife (or husband), children, father, brother, mother, sister, father-in-law, mother-in-law, grandparent, grandchild, sister-in-law, and brother-in-law of the employee.
- B. All regular and full time twelve (12) month service employees shall receive 3 personal business days per year school year. Ten month (10 month) employees shall receive 2 personal days per year.

Personal business days, as defined here, means an activity that requires the employee's presence during the work day and is of such a nature that it cannot be attended to at a later time when schools are not in session or at the conclusion of the working day or on weekends. Certain types of family obligations, legal commitments, religious observance, unusual circumstance related to professional growth, and emergencies are considered to be justification for the utilization of the personal business policy. Recreation, social functions, and interviews for new employment are examples of activities not within this policy. Subject to the labor needs of the operation on the day requested, personal business will not be unreasonably denied.

- C. PTO days carried over by employees hired prior to July 1, 2021 shall convert to personal business days, which need to be pre-approved prior to use. PTO days converted to personal business days can also be used if any employee's sick bank is depleted.
- D. All regular employees shall be credited with a service accumulation for sick time and personal days at the end of each fiscal year equal to the number of unused days in the current allowance for that year. This service accumulation process may continue during the service of the employee up to a maximum of one-thousand four hundred forty hours (equivalent to 180 days). All sick time and personal days accumulated prior to the execution of this Agreement shall be credited and carried forward. Approved sick time and personal days taken shall be charged to service accumulations. No deductions in pay will result from absence from duty as approved unless the total absence exceeds the combined service accumulations and the current allowance to the credit of the individual at the time of the absence.
- a. The Superintendent may authorize personal excused absences, without payroll or sick leave deductions for affairs relative to community service.
  - b. An employee shall not accumulate sick time or personal day allowance for any month in which the employee receives pay for less than the majority of the scheduled working days in that month.
  - c. Sick time may be taken in no less than 15 minutes (.25 of an hour) increments.
  - d. When a bargaining unit member is absent, the procedure will be as follows:
    - i. Record absence in the district's Attendance Management Program
    - ii. The absent employee must notify the building administrator/supervisor of their absence, no later than one (1) hour prior to their shift starting

- e. Any employee within the Agreement may be required to provide written evidence from a physician (MD or DO) or Chiropractic doctor as to the condition of the health of the employee after three (3) days of sick time are utilized on consecutive working days.

**E. Pay for unused Sick Time and Personal Days**

Each employee with a minimum of ten (10) years of service in the district shall receive forty (\$40) for each eight (8) hours of accumulated sick time or personal days up to 180 days.

**ARTICLE 19**

**TERMINAL LEAVE PAY**

- A. Qualified employees will receive terminal pay, based on the table below, upon retirement, death, or resignation due to illness, from the Birmingham School System. To qualify for terminal pay, the employee must have been employed for a minimum of fifteen (15) consecutive years on behalf of the Birmingham School System, must work full time, and must have reached the age where the employee is eligible for retirement benefits from the Michigan Public School Employees' Retirement Fund. An employee who qualifies for terminal pay shall receive \$4,500 after fifteen (15) years of service and then according to the chart below in Section B, to a maximum of \$9,000. These amounts will be paid only upon retirement, death, or resignation due to illness. In the event of death, full retirement terminal pay will be paid to the beneficiary of the employee.

- B. Consecutive years of service is defined as a continuous period, during which time the employee fulfills the rules and regulations of the Board of Education policy for employment. Leave of absence will not count as credit towards the minimum fifteen (15) years of employment; however, such leave will sustain the employee's eligibility toward qualification. Retirement shall be defined as the discontinuance of employment in any Michigan public school system, and upon receipt of retirement payments from the Michigan Public School Employees' Retirement Fund.

TERMINAL LEAVE PAY

<u>Years of Service</u>	<u>Total Payment Not to Exceed</u>
15	\$4,500
16	4,800

26	7,800
27	8,100
28	8,400
29	8,700
30+	9,000

- C. Upon retirement, the employee must take the initiative of notifying the Assistant Superintendent for Human Resources if he or she is eligible for the retirement terminal pay. The Assistant Superintendent for Human Resources will check the official school records and forward to the employee and to the Assistant Superintendent for Business Services the outcome. If an employee is eligible, the Finance Department will determine the amount of terminal pay and inform the applicant.

Terminal pay will not be paid until the applicant shows evidence that he or she has actually received payments under the Michigan Public School Employees' Retirement Fund law.

- D. Regular part time employees will be able to participate under this Article on a pro-rata basis. The basis for pro-rata shall be the length of the working day and the length of the service year.

**ARTICLE 20**  
**VACATIONS WITH PAY**

A. Regular full time employees shall receive the following vacations with pay, **on July 1**:

<b>Years of Service</b>	<b>12 month employees</b>	<b>10 month employees with 10 or more years of service</b>
0 months to 90 work days	0	
91 work days to 1 year service	40 hours (5 days)*

15 years' service or more	176 hours (22 days)	147 hours

(\* ) For new hires starting after July 1<sup>st</sup> of a calendar year, vacation will be prorated retroactive to hire date, but will be added to the employee's vacation balance after the completion of the 90 work day probationary period.

Regular full time employees who work a ten (10) or an eleven (11) months service year and who are on the payroll as of the conclusion of the school year shall receive the following vacation pay allowances promptly thereafter, i.e., on the first or second immediately following regular pay day:

Ten (10) month employee (as provided for in A., above).

5 years to less than 10 years' service-forty (40) hours

- B. Any employee who leaves the employment of the Birmingham Public Schools during the current fiscal year (between July 1 and July 30 of the succeeding year) as a result of dismissal, or who has less than six (6) months' continuous service, shall forfeit all vacation rights.
- C. An employee who leaves the employment of the Birmingham Public Schools during the current fiscal year (between July 1 and June 30 of the succeeding year) by voluntary separation due to just cause as ascertained by the Superintendent of Schools or his/her delegated representative, shall be granted a vacation as in section A above, provided that the employee gives two (2) weeks' written notice of his/her intent to resign.
- D. Members of AFSCME 1860 may 'carry-over' vacation earned during one school year through July 31<sup>st</sup> of the following school year for their use. Days remaining from the previous school year after July 31<sup>st</sup> of the following year will be lost without compensation to the employee.

**ARTICLE 21**  
**WORKER'S COMPENSATION**

Any employee who is absent because of an injury or disease compensable under the Worker's Disability Compensation Act (Michigan Public Act 317 of 1969) shall receive from the employer, for a maximum of ten (10) of his or her work weeks for his or her same compensable injury or disease, the difference between the Worker's Disability Compensation benefits payment prescribed by law and his or her regular salary before the injury or disease, i.e. to be made whole.

There is a 7-day waiting period for benefit payments, therefore employees will have to use their own PTO time for the

first 7 days of missed work. You will not receive a workers' compensation check for disability lasting less than 7 days. However, medical benefits will be provided from the day of injury. If your wage loss lasts longer than 7 consecutive days, you are entitled to benefits as of the 8th day. If your wage loss continues for 14 days or longer, you are entitled to receive payment for that first week of disability.

Thereafter, to the extent and until such time as the employee shall have exhausted his/her sick leave days allowance provided for in Article 19, Sections A. and B., such difference shall be continued and payable to the employee for the remainder of his/her absence due for the same compensable injury or disease. The parties agree there shall be no duplicate payments allowed by the operation of this Article.

Worker's compensation claims shall not be subject to the grievance procedure, but shall be handled as required by law through the Worker's Disability Compensation Bureau.

**ARTICLE 23**

**INSURANCE PROGRAMS**

The parties have agreed to form and participate in an insurance committee to review health insurance issues beginning in the 2017/18 school year. Should the committee issue recommendations regarding possible changes to coverage or other matters relating to insurance, the parties will initiate bargaining with 45 calendar days of receipt of the recommendations.

A. Employee Benefits Program

1. All District contributions health plans are subject to the hard caps set forth in MCL 15.561 Employees and eligible dependents will become eligible for health care coverage upon their 89<sup>th</sup> calendar days of their employment.

See Appendix C for special provisions for health benefits.

B. Hospital-Surgical-Medical Benefits

- a. It is expressly understood that the determination of the carrier or the decision to self-insure is the right of the board.
- b. New hires, hired directly from a contractor with whom Birmingham Public Schools has an existing contract with will receive health care benefits on their first day of employment, all other new hires will receive benefits on their 89<sup>th</sup> day of employment.
- c. The parties agree that the Board has no obligation to provide hospital-surgical-medical insurance coverage to either the spouse and/or dependents of an employee who are otherwise eligible to be covered by any such comparable insurance benefits elsewhere; for example, by virtue of the employment of the spouse.
- d. An employee who is laid off in accordance with Article 15, Section E, or who is on a leave of absence in accordance with Article 12, shall continue to have the Employer provide the hospitalization coverage provided in this Article for 90 days immediately following the month his/her layoff or leave of absence becomes effective. Thereafter, a laid off employee or an employee on a leave of absence who elects to have this coverage, will be required to elect coverage through COBRA and shall pay the total and current monthly premium for the additional time of his/her layoff or leave of absence to the districts third party administrator. If an employee is on sick leave because the employee is the victim of a serious injury, illness or disease, such as cancer, stroke, etc., the Employer may continue to provide this insurance coverage for a longer period than stated above at no cost to the employee.
- e. An employee whose weekly straight time work schedule is for less than twenty (20) hours per week shall, subject to all the conditions set forth herein, be eligible for hospitalization coverage by agreeing to pay one-half (1/2) the monthly premium for such coverage.

Working 20 through 27 hours per week, the employee shall pay one quarter (1/4) the monthly premium for insurance. Working 19 hours or less per week, the employee shall pay one half (1/2) the monthly premium for insurance.

Eligible twelve (12) month employees who choose health coverage, whose straight time hours are for 37.5 per week or more, shall have their health premium paid by the board. All such twelve (12) month employees whose straight time work schedules are for fewer than 37.5 hours per week but for more than 27 hours, shall pay one quarter (1/4) the monthly premium.

- f. The parties acknowledge that each employee is responsible for notifying the district when his or her spouse or a dependent, who is covered under the employee's health plan or other benefits coverage with the district, is no longer his or her legal dependent and is no longer eligible for coverage under the

plan. The employee must notify the employee benefits office in writing within thirty (30) calendar days who the ineligible dependent is, and must request the person's immediate removal from coverage. Failure to provide such notice will result in the employee to become responsible for any premium difference that is paid from the time the person is no longer eligible until the employee notifies the district to discontinue coverage for the person. Where an employee must wait for a final court order or decree, the employee must notify the employee benefits office in writing within thirty (30) days of the final order or decree.

- g. The parties also acknowledge that if there is a question about whether a person is a legal dependent of the employee, the district shall have the right not to place the person on the employee's coverage until the employee provides evidence of the person's legal dependent status. The proof required will be a copy of the legal adoption papers, the court order requiring the employee to cover this person, or any other legal evidence that the district may require as proof of dependent status. Where more than one employee claims dependent status for the same person, the district shall not be obligated to place the person on any of these employees' coverage, and shall place the person on coverage once the employees settle the legal dependency issue among themselves, and one of them presents the most recent legal proof that the person is that employee's dependent. The district shall be held harmless, by the union and each employee, for any health or other benefits needs or bills for service(s) that the person incurs during any waiting period before one of the employees supplies the proper proof to obtain coverage for the person.
- h. The Employer may change to another carrier providing comparable benefits and coverages.
- i. The parties agree to participate on a committee that will consider hospitalization insurance costs, alternative coverages, variation in carriers and other matters.

C. Option to Hospital-Surgical-Medical Insurance

During the term of this agreement, an otherwise eligible employee, who is not covered by the application of Article 23, Section A.1 above, shall be granted the option of receiving a cash stipend instead of being provided hospital-surgical-medical insurance in accordance with all of the terms of this agreement. For all employees, this stipend shall total \$1,600 at the end of the year, paid over 26 payments.

In the case of spouses, both employed in the district, one shall choose the health coverage necessary to cover his/her family as outlined in XXIII, A., above, and the other shall choose this option.

This section (23, A) shall be subject to the procedures, policies, and/or rules of any insurance carrier or organization providing coverage and benefits on the basis of the terms of Article 23, A.

D. Life Insurance

- a. The Employer shall, during the term of this Agreement, provide all permanent full time employees, i.e., those employees whose straight time work schedules are for a minimum of twenty (20) hours per week, the following group term life insurance coverage, including accidental death and dismemberment:

- b. The employee shall pay 10% of the total premium for this coverage.
- c. The maximum Long Term Disability benefits provided under this coverage, based on the insurance carrier's policies, procedures and practices, will provide fifty percent of the employee's straight time monthly earnings in effect at the time he/she became totally disabled, up to a maximum of \$800 per month, commencing 180 days after the date the employee becomes totally disabled and until he/she is able to return to work, attains age 70, or expires, whichever occurs first.
- d. The employee's straight time monthly earnings shall be computed by dividing his/her regular straight time annual earnings by 12 months. Further, the amount of monthly benefits a totally disabled employee receives shall be reduced by any primary or secondary remuneration he/she is eligible for and/or receives from the Employer, the Michigan Public Schools Employees' Retirement Fund, the Federal Social Security Act, Railroad Retirement Act, Veteran's benefits, Workers' Compensation Act or any other such Employer sponsored pension and insurance benefits plans.

- A. The hourly wage schedules for employees are set forth in Schedule A attached hereto and made part of this Agreement.
- B. The hourly wage schedule set forth in Schedule A shall be in full force and effect for the dates shown on the respective schedules.
- C. The Employer shall continue to assume the obligation for and make the full and direct payment of each employee's legally required Michigan Public School Employees Retirement Fund contribution.

**ARTICLE 25**  
**GENERAL PROVISIONS**

- A. Pledge Against Discrimination. The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, handicap, marital status, race, color, creed, national origin, or political affiliation. The Union shall share equally with the Employer the responsibility for applying this provision of the Agreement.
- B. Pledge Against Coercion. The parties agree that there shall be no interference with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint, or coercion against any employees because of Union membership, or lack of Union membership, or because of any activity by an employee in an official capacity on behalf of the Union.
- C. Union Bulletin Boards. The Employer agrees to furnish and maintain suitable bulletin boards in convenient places in work areas to be used by the Union. The bulletin boards shall be used for official Union business only. The Union shall limit its posting of notices and bulletins to such bulletin boards.
- D. Mileage Reimbursement. An employee will be reimbursed at the IRS rate per mile for authorized, verified, and required driving of his/her personal car while he/she is performing his/her work.
- E. Driver's Licenses. Employees who are required by law shall maintain a valid Michigan commercial driver's license (CDL). Employees regularly required to drive a district vehicle to various work sites during their shift and all Maintenance Department employees must maintain a valid Michigan automobile driver's license. The Employer shall pay the cost of such Michigan automobile driver's license for all such employees.

All employees whose classification or work group assignment currently requires licensing to perform work of that classification must maintain such licensing as long as required by law or required by the employer. The employer's licensing requirement shall be rational and reasonable. Employees whose work groups or classifications experience changes in licensing requirements will be given up to six (6) months immediately after the change or until the next licensing opportunity, whichever is later, to obtain such licensing.

This shall not be construed to mean that employees will be terminated if they do not possess a license, unless there is no available position for which they are qualified. Maintenance employees shall have their CDL licenses paid for by the district.

If an employee is required to operate a motor vehicle to perform their duties, the employee must maintain a

valid driver's license. Employees are required to notify the district if their driver's license is expired or suspended for any reason.

- F. Copies of Agreement. Copies of the ratified Agreement shall be made available electronically to all employees on the districts transparency website.
- G. Drug and Alcohol Testing. All employees, except those required by law to maintain a Commercial Driver's License (CDL), shall be subject to random and reasonable suspicion drug / alcohol testing.

Reasonable suspicion must be based on specific, contemporaneous, articulatable observations concerning the appearance, behavior, speech or body odor of the employee. A reasonable suspicion based test shall not be authorized simply on third party information of alcohol or drug use or possession. Official medical information and information received from police, courts, legal documents, a signed statement or affidavit presented by a person who asserts that he or she has witnessed the employee while on the employer's time in possession or use of alcohol or controlled substances or other official sources shall not be considered as third party information.

Reasonable suspicion based drug and alcohol testing shall require that a trained supervisor or trained district official observes behavior or appearance which is characteristic of alcohol or controlled substance misuse. An employee may be required to submit to testing when there is a reasonable suspicion that he or she is under the influence of drugs or alcohol. An employee suspected of being under the influence of alcohol or controlled substances will be escorted to the testing site by a supervisor or other district appointed official.

No Supervisor may use this contract section to harass any employee in the bargaining unit. Harassment shall be defined in this section as sending an employee for testing without having established reasonable suspicion by having observed the appearance, behavior, speech or body odor described above and by failing to complete the supervisor's checklist and the incident report. An employee who believes she or he has been sent for testing without the above cited basis for reasonable suspicion must submit a statement to the manager of facilities operations within forty eight (48) hours of being tested, detailing the reasons for believing she or he has been harassed.

An employee shall be entitled to have a Union representative present, but such presence shall not interfere with or delay the testing process. Any employee who refuses to submit to the testing process shall be deemed to be insubordinate and shall be treated as though he or she had tested positive.

The employer shall have the right to utilize any testing facility it chooses in the initial test, however a laboratory which meets the standards recommended by the National Institute on Drug Abuse (NIDA) shall be used to conduct any confirmatory test.

The requirements for chain of custody, storage of urine **or blood** samples, quality assurance and control, will be the responsibility of the chosen laboratory. Proof of Certification and Quality Control Inspections shall be made available to the union upon reasonable request.

The substances tested for will be alcohol, amphetamines, cocaine, marijuana, opiates and phencyclidine. A list of the currently recognized substances can be found in Appendix E. Others will be added as the federal regulations and guidelines are updated.

### Regarding Alcohol

Only those tests, with approved protocols issued by the United States Department of Health and Human Services or its designee will be considered permissible blood alcohol tests. Certified breath alcohol technicians must administer both the initial and confirmatory tests. An individual with a breath alcohol level of .041 percent or above or the equivalent urine alcohol percentage shall be considered as having failed the test.

### Regarding Controlled Substances

The initial screening test for controlled substances shall be done using the EMIT methodology or other state or federal accepted methodology, as new techniques are developed. Confirmatory testing shall be done using the gas chromatography/mass spectrometry (GC/MS) methodology or other state or federal accepted methodology which may be developed. See the list of currently recognized substances and the currently accepted testing cutoff levels which appear in Appendix E. The parties agree that if these levels are changed in the federal regulations and guidelines that the cut off levels that prevail at the time an employee is tested are the levels against which the employee will be measured.

Testing for controlled substances shall be conducted using urine collection. At the time of collection a split sample shall be collected and stored for use in confirmatory testing. Strict and verifiable chain of custody requirements shall be required for each collection procedure.

The test results will be kept separate from the personnel file and will be kept strictly confidential.

The requirements for chain of custody, storage of urine samples, quality assurance and control, will be the responsibility of the chosen laboratory. Proof of Certification and Quality Control Inspections shall be made available to the Union upon request.

Employees testing positive who are taking valid medical prescriptions in the manner prescribed by their physicians must present objective evidence, such as the prescription itself or a signed statement from their doctors verifying the type, amount, and frequency with which they must take all of the prescription medications that they are currently taking.

Employees testing positive must submit to E.A.P. counseling and must complete a mutually agreeable professional treatment program and shall be subject to random testing for a period of two (2) consecutive years directly following the successful completion of the professional treatment program. The professional treatment program must certify that the employee test below the contractually mandated level. Such an employee will then be returned to work. In the event the employer and employee are not able to agree on a treatment program, a treatment program will be selected by the Employee Assistance Program administrator. Failure to comply with the requirements of this paragraph shall be grounds for immediate discharge.

A second positive test may result in discharge.

Nothing in this section is intended to be in conflict with existing law. In the event that any provision of this section shall at any time be held to be contrary to law by a court of competent jurisdiction, from whose final judgment or decree no appeal has been taken within the limits for doing so, such provision of this section shall not continue in force or effect. Employees in possession of or selling illegal drugs or alcohol on the job shall be subject to disciplinary action, up to and including discharge.

- H. FMLA. The union and each member of the bargaining unit agree, along with the employer, to follow the requirements of the Family Medical Leave Act (FMLA) and the Americans with Disabilities Act (ADA) and no provisions in this contract shall supersede the requirements of these laws. Employees will receive an outline of the FMLA with the superintendent's back to work letter before the start of each school year each year.

## **ARTICLE 26**

During the term of this Agreement, neither party will be required to negotiate with respect to any such matter, whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.

The Employer shall make no unilateral changes in regard to wages, hours, and conditions of employment during the term of this Agreement, which would be contrary to the terms of this Agreement.

The parties agree that if major changes are to be implemented that will affect the wages, number of hours worked and/or working conditions of classifications covered by this Agreement, then at the request of either party, will as legally required meet to negotiate on the matter.
