

## Parent Bulletin Friday 10th November 2023

Dear Parents and Carers

It was a pleasure to see the army in school this week working with a group of students on their leadership and communication skills. Students engaged really well with the session and the army were very complimentary about them. We also had success with Year 8 students at the athletics this week and our KS4 Achieve students were out on both a Business trip and tennis coaching. This morning the school stopped for a minute of silence to remember all those who have lost their lives in conflict.

### Inter-Faith Eco Conference

Yesterday was a special day in school when we hosted an inter-faith eco conference in partnership with the Oxford Diocese and welcomed community visitors along with students from several Slough schools. It was a great event where minds were focused on the climate crisis ahead of us and what action needs to be taken now. Our students were excellent ambassadors for the school and spoke well both in conversation and when presenting their excellent art work.

### Church School Inspection

Next week we have an inspector in school on Tuesday who will be inspecting what we do as a Church of England school. This is called a SIAMS inspection. He will visit lessons, talk to staff and students and see the school in action. He is meeting a group of parents briefly at 3pm. If you would like to be part of that group please email [reception@slougheton.com](mailto:reception@slougheton.com) with your details and we'll get back to you. The inspector has written a letter to all parents about the inspection which has been attached to this bulletin for you.

### Attendance

You will find attached to this bulletin details from Slough Borough Council about the importance of good school attendance. The vast majority of our students have great attendance but all need to. Please take time to review it.

### Angelou House 'Pack a Backpack' campaign

Students in Angelou House have started their annual campaign to provide backpacks of essential things for the local homeless community. They are seeking donations and the students are working hard on this. This year's target is to send 15 bags.

Finally, students in Year 9 raised £364 last week to support the children in Gaza affected by the current crisis in the region, two of our Year 12 Interfaith Society students, Inaaya and Ayza, did a fantastic Diwali display in the hall and Daniela the same for Remembrance Day. This is a great display of generosity from our students.

Have a wonderful weekend.
