Dear Members of the Bowling Green School Community:

Bowling Green City Schools had a bond issue on the November 7, 2023 ballot to build a new Bowling Green High School. Members of the District voted 59% to 41% in favor of constructing a new high school.

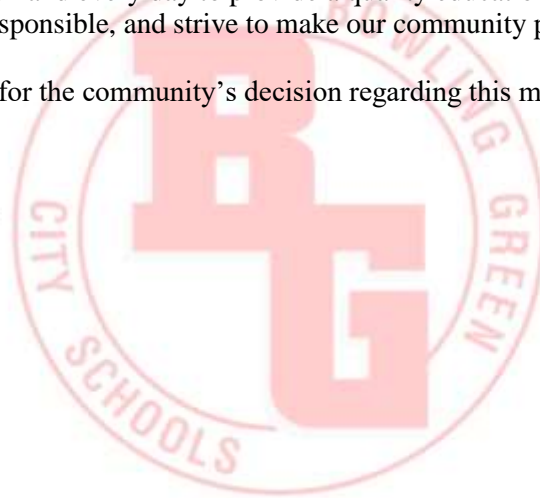

I, personally, want to share that your trust and confidence in the District is not taken lightly. The District will continue to work hard each and every day to provide a quality education for all of our BG students, look for ways to be fiscally responsible, and strive to make our community proud.

We are humbled and grateful for the community's decision regarding this major endeavor.

Sincerely,

**Ted Haselman, Ed. D.**
