BECHS ACADEMIC CONTRACT

Student Name # _____ ID#: _____

I acknowledge that I have failed one or more college classes. I further recognize that my academic behaviors have prevented me from being successful at school. I agree to assume responsibility for my academic performance by entering into this contract.

I have been notified in person by the principal and/or counselor of the academic requirement to remain in the BECHS dual enrollment program: GPA of 2.0 or higher.

I agree to follow all school rules and regulations regarding student academics. Failure to follow academic requirements will result in immediate and appropriate consequences, including removal from BECHS.

Furthermore:

1. Both my parent(s)/guardians(s) and I acknowledge that my continued enrollment at BECHS is based on our agreement to comply with the conditions specified in this contract. Among them are passing all high school and college classes. Continuing to fail high school and/or college classes and thus preventing the student from earning credits towards graduation will result in their removal from BECHS.
2. I will comply with any support services recommended by my teacher(s), counselor, or administrator.
3. My parent(s)/guardian(s) and I will communicate with the school when issues of academic or personal support need to be addressed.
4. I agree to attend all of my assigned classes on a regular basis and participate fully in all class activities.
5. I acknowledge that I can be withdrawn from BECHS at the end of the semester if I fail to comply with any of the conditions set forth especially if I am suspended from UTRGV and/or TSC.
6. BECHS administration and/or staff agree to contact my parent(s)/guardian(s) and the student in writing, by telephone, or in person at least once prior to enforcing any recommendation for withdrawal.

The conditions of this contract will become effective upon the date of signing and terminate on May 30, 2024, if I have met the terms of the contract.
