HIGHLIGHTS OF THE WEEK

DPS Morning Meeting

Today at our morning meeting we celebrated students who demonstrate Habit #6: Synergize - Working Together is Better and Habit #7: Sharpen the Saw - Balance is Best.

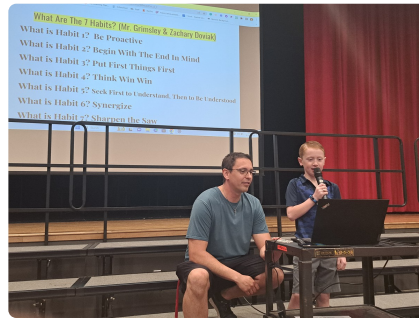

Students who ***Synergize*** -

- Get along well with other people and work well in groups
- Value the strengths of others and allow themselves to learn from others
- Know that by working together as a team we can get more done and come up with better solutions than we can alone

Students who ***Sharpen the Saw*** -

- Take care of their body by eating right, exercising, and getting enough sleep
- Balance their time between school, extracurricular activities, family, and friends
- Are always learning how to become a better person

Afterward, I was so proud of ALL of our DPS students for shouting out each of the habits they have learned about and practiced this year. Then we listened to and sang along to the 7 Habits of Happy Kids Song that I've linked below.

2nd Grade - Golden Spatula Award

On Monday morning, Ms. Padden, our new behavior specialist, introduced 2nd graders to the Golden Spatula Award. At two different presentations, she shared how all 2nd graders have an opportunity to earn raffle tickets in the cafeteria for expected behavior (such as staying in seat, raising hand for help, talking in a level 2 voice, throwing garbage away in one trip, and helping keep a clean space). Then on Fridays, 3 raffle tickets are drawn and these students are our Golden Spatula Winners who get their picture taken and a prize from the coveted treasure box! Ms. Padden also shared the progression for disruptive (unexpected) behaviors - warning, seat moved, and sent to the office with Mrs. Goho AND that unsafe (unexpected) behaviors will result in being sent to

the office with Mrs. Goho. Below are pictures of the visual reminders posted in the cafeteria about expected and unexpected behaviors.

During each presentation, students were given raffle tickets for expected behaviors and Ms. Padden picked a raffle ticket winner at the end of each. The presentation Golden Spatula winners were Evelyn Irwin and Peter Wachtel.

Today the Golden Spatula Winners were announced from showing expected cafeteria behavior Monday-Thursday. The winners were Ryker Cobin, Gideon Forshee, and Elaina Kurtz! I can't wait to see who our winners are next week!

Upcoming June DPS Events

This year DPS will be having it's first **Flag Day** celebration as a building. This will be a student only event on Wednesday, June 14th in the afternoon. You can help by reminding your student to dress in red, white and blue!

On Thursday, June 15th (with a rain date of June 16th), we will have a **Whole School Morning Meeting** at the Dansville High School stadium from 8:30-9:30am. Families are invited to join us in celebrating a year of leadership and accomplishments! This will also give families an opportunity to experience a morning meeting.

Then students only will participate in **Field Day** events with their class. After the field day fun, we'll have a whole school community lunch together out on the grassy field. Students will be able to get a bagged lunch that day if they don't bring from home. Keep your eyes out for a letter home in the next few weeks with more details about this event and the bagged lunch order form.

Children who are eligible to attend Summer Program received a letter in their take home folder with information. Please be sure to return the requested information by June 1st, so we can finalize the details and send updates to those attending.

Oh the Places You'll Go!

This year at DPS, we have talked A LOT about how being a great leader can help us achieve great things and take us great places. Where exactly could we go? ANYWHERE! To show our DPS leaders that the possibilities are endless, we are asking for help from our school community. Please ask any friends or relatives to send postcards to our school. We will welcome postcards from any country, state, town, or just from Dansville. Have them create a story that they have seen a mini-mustang being a leader!

What does a great leader look like? Being a leader at DPS means doing the right thing, even when no one is watching, and working to make our community a better place! See trash? Pick it up! Does your family need help at home? Pull up a chair and help wash the dishes! Be proactive, think win-win, share with siblings, **the options are endless!**

Does email work better than a physical postcard? No problem! We can print it and hang it up. We will display all of the postcards in our school along with a QR code, so that students can learn a little bit more about the locations that the postcards come from.

Additionally, you will find your own "mini-mustang" below. Our school has two vacations between now and the end of the year – take them with you to snap a picture of a mini-mustang in a cool place. Whether it be the trampoline park, Disney World, or Babcock Park, we can be leaders anywhere! Bring it back to school and we will showcase it alongside our postcard collection.

If you have any questions or an email submission please send it to Brittney Spoor (spoorb@dansvillecsd.org).
