➡ First Day of School is September 7th

All 4PK-2nd grade students will enter through the main entrance of school and must be to school by 8:00.

- Students can be dropped off as early as 7:15.
- Breakfast will be served from 7:30-8:10.
- Buses unload students at 7:40.

3PK students will attend school for a 45 minute orientation with their family at their assigned time.

It is typical for children to experience:

- Separation anxiety
- Fatigue
- Hunger
- Heightened emotions

To support your child, you may want to:

- Share your own school stories (include what made you nervous and what happened that made it a positive experience)
 - Plan out special time before/after school where you can give your child 100% of your time
 - Build in downtime when children get home from school
 - Consistent and early bedtime routine
 - Consistent morning routine (consider visuals)
 - Have students ride the bus to school in the morning or give a quick hug goodbye at drop off and depart
 - Pack the backpack (including snack) the night before and have it ready by the door
 - Remind them that home is boring because you have "work" and/or younger siblings wish they could be at school
-
