

Summer is Here!

Dansville Primary School

♥ Thank you!

Thank you for supporting your DPS students throughout the school year! It was an awesome year full of learning, fun, and friendships! I look forward to seeing students at our summer program. And then welcoming everyone back to school in September. I wish our 2nd graders and their families the very best as they head over to EBH. You will be missed!

Your Voice is Important -

Leader in Me Survey

Our school implements Leader in Me, which teaches 21st-century leadership and life skills to students and creates a culture of student empowerment based on the idea that every child can be a leader.

We are conducting surveys to learn more about key areas of strength and areas of needed growth in our school. In order for us to have a holistic picture, we are asking all full-time staff members and parents/guardians to participate.

The survey is completely voluntary, but we do hope to get feedback from one member of every household. Please know that your name and other identifying information will not be collected. It will take about 10 minutes to complete and will ask questions about your child and about his or her experience in our school. If you have more than one child attending the school, you will be asked to think about the oldest child's experiences as you answer questions related to his or her growth.

Please click the button below to complete the survey. The deadline for submission is Monday, June 26, 2023

DPS Leader in Me Survey

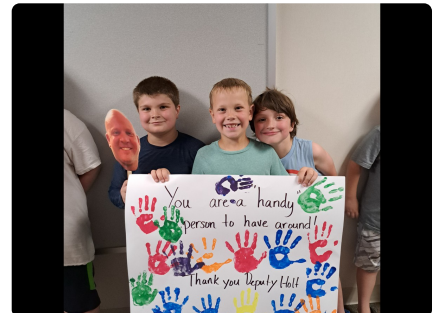

Lost and Found

Is your child missing something and you think it may have been lost at school? Feel free to pop into the front foyer of DPS to look for it. All the lost and found items are under the table.

HIGHLIGHTS OF THE WEEK

Deputy Holt Parade

DPS students thanked Deputy Holt with a parade on Tuesday afternoon in recognition of his 10 years of service at Dansville CSD. He will certainly be missed as he has kept us safe and taught us. We look forward to welcoming a new School Resource Officer next school year.

3PK End of Year Concert

Our 3PK students did a phenomenal job on stage for their family and friends. They sang six songs and included sign language and motions with many of them. Way to go 3PK!

Moving Up Day

The students had a chance to meet the next grade level of teachers on Wednesday morning as part of our moving up day. In early August, teacher assignments will be mailed home to families.

Bus Transportation for Summer Program

The week of July 3rd, families should receive a mailing and email regarding bus pick up and drop off times for the summer program.

Bus Transportation Forms for 2023-2024

The bus transportation forms for the 2023-2024 school year came home in backpacks on Tuesday. Please complete and return those by August 1st to help us complete bus routes for next year in a timely manner. As a reminder, students can have **only 2 locations** that they are transported to and from. Daily changes cause a safety concern for students.

MAKING MEMBERSHIP POSSIBLE FOR ALL FINANCIAL ASSISTANCE

The Dansville YMCA believes that no one should be denied membership or participation in a program because of the inability to pay. With our Financial Assistance Program, we are able to make sure those who want to participate are able to do so. Financial Assistance provides individuals and families in need with the financial support to access to Y membership and program activities.

Through our Community Support Financial Assistance Program, the Dansville YMCA provides assistance to youth, adults, and families based on individual needs and circumstances.

ANNUAL SUPPORT CAMPAIGN

Donors to the Y's Annual Support Campaign provide vital support to our mission to make Y programs available to all. The Annual Support Campaign provides financial assistance to individuals and families; supports partnerships with other community organizations; and helps the Y provide programs that are important to our mission but whose costs are not offset by memberships or program fees.
