DIRECTLINK

Students who participate in DirectLink will be connected with an academic advisor at K-State in their academic area of interest. They will be provided with a personalized curriculum sequence to ensure they are on track to a timely graduation all while working towards their associates degree at the community college.

TRANSFER VISIT DAYS

Transfer Visit Days provide potential transfer students with an insight into what a transfer to K-State will mean for you. Those in attendance will receive information about transfer requirements, an opportunity to speak with an academic advisor from your field of study, explore your programs of interest, as well as connect and learn from current K-State transfer students.

DAILY CAMPUS VISITS

Can't attend a Transfer Visit Day? Our Academic Campus Visits include a 30-minute admissions presentation, session with your academic area of interest, and a 60-minute walking tour of campus.

TRANSFER AMBASSADORS

The Transfer Ambassador Program is a volunteer-based organization for all K-State transfer students. The purpose of this organization is to build social interaction and relationships among transfer students at K-State as well as assist with future student events. For more information, email transfer@k-state.edu.
