Short Answer Question

Select one of the following questions to complete.

(Please place your name at the top of your short answer and forward it together with your Wagley Scholarship application.)

1. Describe an academic course you would design to offer upper school students at SPSG.
2. “Dream. Dare. Do.” is a slogan used by an Ohio independent school. “Just Do It” is a slogan used by Nike. Select a product or business currently in the market, create a slogan for it, and share how you would market it to girls aged 15–19 years old.
3. The Wagley Scholarship is awarded to the student who most clearly achieves and excels in academics and extracurricular activities. Since the scholarship recipient receives a substantial benefit from SPSG in recognition of her achievement and excellence, the expectation is that the recipient will make significant and impactful contributions to the SPSG community. Describe how you will use your current academic, athletic, and/or artistic passions to contribute to the SPSG community.

Wagley Scholar Essay

(Please place your name at the top of your essay and forward it together with your Wagley Scholarship application.)

Mary Frances Wagley, the donor responsible for the creation of this scholarship, served as Headmistress from 1966-1978. In a Board of Trustees report given by Mrs. Wagley in 1976, she expressed her feelings about St. Paul’s School for Girls, stating, “[w]e believe in developing academic potential, but...we are equally interested in developing each child’s potential for loving and caring.” These words are now embodied in our mission statement: **“St. Paul’s School for Girls educates hearts and minds in an inclusive community that is grounded in the Episcopal values of respect, integrity, and spiritual growth. We empower voice, nurture intellectual curiosity and creativity, and inspire confident leaders who serve in the world.”**

Criteria: In a carefully developed and organized 300-500-word essay, use our mission statement as inspiration (or use your voice, intellect, and creativity) to explore an idea, issue, or cause about which you feel passionately.
