Student Experiencing Educational Instability means a student who has experienced one (1) or more changes in school enrollment during a single school year due to any of the following:[4]

1. Homelessness.[1][3][7]

2. An adjudication of:[23][24]

- a. Dependency relating to child protective services and juvenile matters;
- b. Delinquency, if disclosed by the student's parent/guardian; or
- c. As part of court-ordered services under a voluntary placement or custody agreement.

A student experiencing foster care may also qualify as a student experiencing educational instability as defined above, if such circumstances apply.[25]

Enroll or Enrollment means attending classes and participating fully in school activities.[26]

Additional costs means the difference between what the district spends to transport a resident student to the student's assigned school and the cost to transport a child in foster care to the child's school of origin.

Foster care means twenty-four (24) hour substitute care for children placed away from their parents or guardians and for whom the child welfare agency has placement and care responsibility. This includes, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions and pre-adoptive homes. A child is in foster care in accordance with this definition regardless of whether the foster care facility is licensed and payments are made by the state, tribal or local agency for the care of the child, whether adoption subsidy payments are being made prior to the finalization of an adoption or whether there is federal matching of any payments that are made.[25]

Homeless children and youths means individuals who lack a fixed, regular and adequate nighttime residence, and includes:[26]

- 1. Children and youths who are:
 - a. Sharing the housing of other persons due to loss of housing, economic hardship or a similar reason;

4. Migratory children who qualify as homeless because they are living in circumstances described above; and
5. School-aged parents living in houses for school-aged parents if they have no other available living accommodations.

School of origin is the school in which the student experiencing educational instability was last enrolled.

- The school of origin for a *homeless child or youth* - the last school in which the homeless child or youth was enrolled when permanently housed or the school in which the homeless child or youth was last enrolled, including preschool.[\[27\]](#)
- The school of origin for a *child in foster care* - the school in which a child is enrolled at the time of placement in foster care. If a child's foster care placement changes, the school of origin is the school the child is attending immediately prior to each change in placement.[\[8\]](#)

5. State and local housing agencies responsible for comprehensive housing affordability strategies.

The district's point of contact, in consultation with the school counselor, school social worker, home and school visitor or school psychologist and the student's Individualized Education Program (IEP) team or Section 504 Team, shall:[\[4\]](#)

1. Facilitate the student's expedited consultation with the school counselor or other mental health professionals, as appropriate.
2. Facilitate the prompt placement of the student in appropriate courses.
3. Connect the student with educational services that meet the student's specific needs.

School personnel providing services to homeless children and youths, including school enrollment staff, shall receive professional development and support to:[\[27\]](#)

1. Improve identification of homeless children and youths and unaccompanied youths;
2. Understand the rights of such children, including requirements for immediate enrollment and transportation; and
3. Heighten the awareness of, and capacity to respond to, the educational needs of such children.

Guidelines

Students enrolled in this district experiencing educational instability shall be provided support and services, as appropriate to each individual student's needs, in accordance with Board policy.[4]

Minimal documentation shall be required for a student experiencing educational instability to qualify for supports and services. Information used to determine that a student is experiencing educational instability may be confirmed verbally, in writing or by another manner by shelter providers, outreach workers, case managers, juvenile probation officers and others.

Parents/Guardians and students have the authority to determine what information shall be shared with the district.

Information related to the student's educational instability status shall be confidential and disclosed by the point of contact or other administrators only to other school staff who have a legitimate need to know unless authorized by the student or parent/guardian.[29][30]

Enrollment

Except when an unaccompanied youth or the parents/guardians of a homeless youth request otherwise, it shall be presumed that a student experiencing educational instability shall continue to be enrolled in their school of origin unless it is determined that it is not in the student's best interest to remain in the school of origin.[5][27]

In accordance with the homeless child's or youth's best interest, the district shall continue to enroll a homeless student in the student's school of origin within the district while the student remains homeless and through the end of the academic year in which the student obtains permanent housing.[27]

An unaccompanied youth or the parents/guardians of a homeless student may request enrollment in any grade-appropriate school within the district regardless of the district attendance area where the student is actually living or a school of origin in another district.[27]

The district's point of contact shall assist an unaccompanied youth in placement or enrollment decisions, giving priority to the views of the student in determining where the student will be enrolled.[27]

Best Interest Determination -

The best interest determination shall be made in accordance with federal and state laws and regulations, court orders and established local procedures.

In making a best interest determination, the district shall:[5][27]

1. In the case of a homeless child or unaccompanied youth, give priority to the request of the parent/guardian or unaccompanied youth.
2. Consider student-centered factors related to impact of mobility on achievement, education, appropriateness of the current educational setting, health and safety, and proximity to living arrangements including foster care placement.

The cost of transportation shall not be used as a factor in the best interest determination.

Documentation related to the best interest determination shall be maintained in the student's education record.[29][30]

Timeliness of Enrollment -

Dispute Resolution

If a dispute involving a student experiencing educational instability arises, the concern shall be addressed and/or resolved at the lowest appropriate level in accordance with Board policy, unless otherwise stated below.[37]

Dispute Resolution for Homeless Students -

A student who exited foster care will be immediately enrolled in the district where they are residing.

Education Records

Information about a student's educational instability shall be treated as a student education record subject to the protections of the Family Educational Rights and Privacy Act (FERPA), and shall not be deemed to be directory information.[29][30][39]

The district may disclose personally identifiable information from the education records of a student without written consent of the parent/guardian or the eligible student if the disclosure is:[29][30][39]

Allegheny Intermediate Unit Mutual Assistance Group
Memorandum of Understanding (MOU)

Allegheny Intermediate Unit Mutual Assistance Group MOU (Memorandum of Understanding)

I. Purpose

This Memorandum of Understanding (“MOU”) is entered into by and between the Fox Chapel Area School District *and* the Schools/School Districts listed below (each a “School”) as of the date of signature below. The MOU memorializes each School’s commitments and expectations in the event that a School requests assistance from the Allegheny Intermediate Unit Mutual Assistance Group. This MOU further describes the roles and responsibilities of each School, establishes interagency communication protocols (or procedures), and identifies environmental and historic preservation priorities in relation to a request for assistance.

II. Background

The Schools have identified the need for coordination of resources that may be required to maintain continuity of operations in support of educational objectives in the event of an emergency or disaster. The education and safety of each School’s students will remain a priority.

In the event of a catastrophic emergency, a School may request aid from the Schools listed below. The nature and duration of aid will depend on the nature of each incident or emergency. Requests for aid may include, but are not limited to, the provision of school administration, counseling, central office administration, or school support services (transportation, food services, athletics, etc.). The duration of aid will depend on the severity of the emergency and requesting School’s needs.

III. Confidentiality

In support of a coordinated, interagency approach to disaster and emergency support, the Schools may share sensitive, non-public information with each other that will be utilized during the disaster recovery period to expedite the environmental and historic preservation reviews.

In order to facilitate the sharing of such information each School will execute a confidentiality agreement an example of which is attached hereto as Appendix A.

IV. Responsibilities of Parties

The provision of aid by a School may involve the sharing of time and/or resources to address an emergency or crisis situation. Each School will be responsible for identifying issues that must be addressed to satisfy the best interest in educating students and coordinating with other Schools as necessary. Schools providing resources or personnel should not expect compensation or reimbursement for any aid provided. Each School may be responsible for the following:

When a School requires aid a request will be submitted to the Mutual Assistance Group Liaison Officer at the Allegheny Intermediate Unit (AIU). A School requesting Aid will: :

- Provide a description of resources needed to address the emergency or crisis,
- Provide information to those providing assistance (“Mutual Assistance Group Responders”) in the form of a starter kit. This kit will include, but is not limited to, the following items:
 - Building map
 - Bell Schedule
 - Temporary guest access to necessary technology
 - Other items such as staff and student rosters will be provided as appropriate
- Provide a space for personnel and resources to the extent available, and
- Provide information regarding the incident to which the team is responding

Mutual Assistance Group Responders will:

- Respond to the request for aid from the Mutual Assistance Group Liaison Officer at the AIU,
- Provide requested personnel or resources as able,
- Maintain confidentiality per the attached Confidentiality Agreement, and
- Endeavor to provide aid without being in the way or being a burden to the requesting School.

Allegheny Intermediate Unit will:

- Promptly respond to the call for aid through the Mutual Assistance Group Liaison Officer,
- Coordinate available resources to address the request, and
- Coordinate the timing and duration of the aid.

V. Commitments of Agencies

The Parties hereby commit, to the extent practicable, to early involvement and cooperation to ensure timely decisions are made and that the responsibilities of each Party are met. The Parties commit to working together and as appropriate with response Schools, state Agencies, and other interested persons. In particular the Parties agree to:

- A. Timely Coordination: Mutual Assistance Group Responders and Schools requesting aid will submit daily reports to the Mutual Assistance Group Liaison Officer.
- B. Coordination Meetings: Mutual Assistance Group Responders and Schools requesting aid will meet daily to share developments, status, and reviews.
- C. Interagency Communication: Mutual Assistance Group Responders and Schools requesting aid will notify the AIU when it is determined that resources or personnel are no longer required to address the emergency or crisis.
- D. Personnel and Expertise: Mutual Assistance Group Responders and Schools requesting aid will provide appropriate personnel and/or expertise, as appropriate, and as resources allow.
- E. Upon executing the MOU, the School agrees to remain a part of the group for the duration of the current school year. For purposes of this agreement, the school year shall be considered July 1 through June 30.
- F. A Party may leave the Mutual Assistance Group at the end of any school year by notifying the Mutual Assistance Group Liaison Officer in writing by June 1.

VI. Duration

This MOU shall be effective as of the date of last signature below and shall remain in effect until June 1, 2026

VII. Amendments

Any changes, modification or amendment to the MOU shall be made in writing and shall only become effective on execution by an authorized representative of all Parties.

VIII. Termination

If any Party determines that the terms of the MOU will not or cannot be carried out, that School shall immediately notify the other Parties and consult with them to develop an amendment in accordance with Paragraph VII, above. If amendment language is not agreed upon by the parties within thirty (30) days of such notification, any Party may terminate its participation in the Mutual Assistance Group upon written notification to the other Parties. Additionally, the AIU may terminate this MOU as to any or all Parties upon written notice at any time.

IX. Issue Elevation

Any issue or dispute that arises between or among the Parties during the term of the MOU shall be addressed expeditiously by the Mutual Assistance Group Liaison Officer at the AIU. This provision is intended to ensure that all Parties work as collaboratively and quickly as possible to resolve any issues or disputes that could negatively impact the education of students and the safe operation of schools.

7. Notices

(a) In the event that the Recipient is required in a civil, criminal or regulatory proceeding to disclose any part of the Confidential Information, the Recipient will provide to the Discloser prompt written notice of such request so the Information Provider may seek an appropriate remedy or alternative to waive the Recipient's compliance with the provisions of this Agreement in regards to the request.

(e) The Information Provider and the Discloser acknowledge that this Agreement is reasonable, valid and enforceable. However, if a court of competent jurisdiction finds any of the provisions of this Agreement to be too broad to be enforceable, it is the intention of the Information Provider and the Recipient that such provisions be reduced in scope by the court only to the extent deemed necessary by that court to render the provision reasonable and enforceable, bearing in mind that it is the intention of the Recipient to give the Information Provider the broad possible protection to maintain the confidentiality of the Confidential Information.

(f) No failure or delay by the Information Provider in exercising any power, right or privilege provided in this Agreement will operate as a waiver, nor will any single or partial exercise of such rights, powers or privileges preclude any further exercise of them or the exercise of any other right, power or privilege provided in this Agreement.

(g) This Agreement will inure to the benefit of and be binding upon the respective heirs, executors, administrators, successors and assigns, as the case may be, of the Information Provider and the Recipient.
