

# Battle of the Books - Permission & Commitment 2024

I am in 2nd, 3rd, 4th, 5th, or 6th grade at Valley View and I want to participate in Battle of the Books.

By signing up I know I am committing to read at least **3** books from my grade book list practice with my team January & February (there will be quick practices on Thursdays during morning recess. Once I am on a team, I commit to helping my team all I can and not giving up (quitting hurts your team, they need you). I also commit to having good sportsmanship with my team as well as other teams.
