

## Shanghai Strings & Shanghai Guarneri Trading Limited

Shanghai Strings was founded in 2009 when Christian Zenz, the German owner, moved his violin business after 20 years in Chicago, New York & Fort Lee, NJ to China. His business partner in Shanghai is Rachel Wang Yiyi.

The Studio is located in the former French Concession on Middle Fuxing Road, opposite the Shanghai Symphony Orchestra, on the 3rd Floor of the historic Blackstone Apartment Building. The Shanghai Conservatory of Music is around the corner on Fenyang Road.

Our collection of violins, violas and cellos and bows ranges from student level instruments up to the finest professional instruments by iconic Italian, French and German Masters, complemented by a group of no less than 15 leading Contemporary Violin and Bow Makers.

We stock all major string brands, rosin, violin family accessories and cases. We offer a same day bow re-hair service and a string instrument rental.

At Shanghai Strings we put a strong emphasis on Premium Educational Strings - violins, violas and cellos - newly made and old European imported Instruments - ranging from 1/8 size to full size. Every instrument is expertly set up by a highly-trained and experienced violinmaker who pays strict attention to the smallest detail of adjustment to assure that every instrument has excellent playability and a full, resonant tone.

In 2020 Shanghai Guarneri Trading Limited was incorporated .  
Shanghai Strings is now a part of this Holding company.
