

## MISSION STATEMENT

The Mission of the American School of Tangier is to equip our students with the tools and knowledge to become successful, global citizens in a creative community environment. AST will fulfill this mission by providing:

- » An American-style education with a thorough grounding in the liberal arts, sciences, and technology.
- » A highly competitive preparation for university acceptance around the world, especially American universities.
- » A commitment to lifelong personal development.
- » Community leadership that inspires responsibility, open mindedness, empathy, and resilience.
- » A professional faculty dedicated to providing the best practices in instruction, research, and understanding.

AST will be successful when its students and faculty inspire lives of character, leadership, and service for the city, the country, and the world.

## CURRICULUM

We offer a challenging, knowledge rich curriculum designed to support student growth and prepare them for the next step in their academic journey and beyond. AST employs an American content standards framework, including the Common Core in mathematics and English language arts, and the Next Generation Science Standards. French is taught as an additional language beginning in grade 6. Arabic is required of Moroccan students beginning in KG3 and is open to all students throughout the campus. We also offer a variety of challenging Advanced Placement (AP) courses, including the AP Capstone program.

## EXTRA-CURRICULAR ACTIVITIES

- ➡ After-School Club program
- ➡ Athletics and Team Sports
- ➡ Drama
- ➡ Intersession trips (extended, overnight experiences) designed to support our Mission and Vision
- ➡ Model United Nations
