**Strategic Planning**

**Come Join Us!**

The Board of Education invites you to participate in a Strategic Planning initiative along with your neighbors, community members, friends, teachers, students, and school district administrators to create a shared vision for the future of the Mount Arlington Public Schools. This process will be facilitated by the New Jersey School Boards Association.

In addition to creating a shared vision for the district, we will be discussing the strengths of the district, the challenges that we face, and ways in which we can tackle those challenges. Please share your thoughts, ideas and hopes so that we can effectively plan for the future of our students.

Two public meetings will be held to gather information from all interested stakeholders. The first meeting will be held on Tuesday, November 28th. The second meeting will be Tuesday, December 5th. Both meetings will take place from 7:00 pm to 9:00 pm in the MAPS gym.

Your attendance at one or both meetings will be greatly appreciated!
