THE PROGRAMME

WHAT TO EXPECT?

The school programme offers year round training for students across all ability levels. Students can access 1-2 sessions per week either at the school climbing wall or offsite at local climbing walls and bouldering rooms.

- Tuesdays 4-5pm: climbing is open at the school wall to Years 10 - Upper Sixth.
- Wednesdays: we have a trip offsite to local climbing centres. In the past these have been Redpoint Bristol and Frome Bouldering Rooms.
- Thursdays 4-5pm: we run the Year 9 climbing club at the school wall.

Millfield climbers also have the opportunity to compete in the Southwest Schools Bouldering League and Climbing Championships annually.

WHO CAN DO IT?

Climbing is open to all students across the academic year. We have no selection or qualification standards, all levels of experience are welcomed and catered for.
