**Principal's Message**

As you may already know, we have our Open Enrollment showcase this Wednesday, November 15th, from 6:00-8:15 pm. Many of you probably remember this night from before you and your student joined our school community. We try to give students and families a sense of who we are at Centaurus, what to expect at our school, and give them the information to make the best choice for them as an individual. If you know of any prospective students, please pass on this information to them so that they can get a chance to know all of the great opportunities for students at Centaurus High School.

Following up on last week's message around the success our athletics and activities programs have been having this fall, I have a few more to share. This week, our CHS Poms team won their league in the NCAC League Championships hip hop division! Congratulations to our CHS Poms team, and wish them luck as they compete in Regionals Saturday! In addition, our soccer team wrapped up an incredible run this year, making it to the semifinals of the CHSAA 4A state tournament, and our CHS Cheer team put in a great showing at the league finals. Also, our Theater program performs their fall play *Sense and Sensibility* today, Friday, and Saturday. Congratulations to all of our students and programs for a great season!

Daniel Ryan  
Principal

### News from Food Services

Free meals are still free, but the payment system is changing! Please be advised that on November 13th, the Food Services Department will be switching software systems from MyPaymentsPlus to [School Cafe](#). If you have a balance on your account it will automatically transfer into School Cafe on the 13th. Meal account funds are not necessary for your student to receive a free breakfast and lunch every day, but are necessary to purchase items like second entrees, a la carte items, and side salads. Starting on November 13th, if you would like to add money to your student's meal account, you will have to create a School Cafe account and do it there. Beginning on November 11th, MyPaymentsPlus will turn off and it will not be possible to add funds to your student's account.

Please see the resources below to help with the transition.
