## Student Responsibilities:

\_\_\_\_\_ I will notify the high school counselor immediately if a transfer or withdrawal from a course is necessary.

\_\_\_\_\_ If I enroll in any classes required for graduation spring quarter of my senior year, I understand that I can participate in the graduation, but will not receive my diploma until all final grades are received from the college.

\_\_\_\_\_ If I intend to get an ERHS/PHS/RHS/WHS/PDL diploma, I will:

- 1) Complete the High School & Beyond Plan
- 2) Complete the courses and credits required by the Puyallup School District for graduation
- 3) Meet a graduation pathway

\_\_\_\_\_ I am aware that I cannot be on the high school campus if I do not have a class scheduled

\_\_\_\_\_ I will resolve high school/college schedule conflicts, understanding that high school courses take precedence.

\_\_\_\_\_ I have reliable transportation and I am able to pay for books, fees, transportation costs, and any other expenses incurred at the college with the exception of the cost of tuition up to 15 credits per quarter. For financial assistance, please complete the meal application at ezmealapp.com.

\_\_\_\_\_ I am responsible for obtaining information about dates, timelines, procedures, and deadlines at both the high school and college (college academic calendar and Schoology).

\_\_\_\_\_ I understand that most communication from the college will include the student....not the parent/guardian

### Graduation:

Eligibility for commencement and/or a high school diploma may be jeopardized by not following through with commitments agreed to with the PSD high schools. The Puyallup School District does not guarantee that credits earned through Running Start will be accepted by colleges or universities. It is the student's responsibility to verify acceptability of credits. Grades earned through Running Start are a permanent part of the student's college transcript and are used in determining eligibility for admission to other colleges.

I/we have read the information contained above completely and carefully, understand the opportunities and responsibilities under these guidelines and wish to participate in the Running Start Program at the college level. I/we give permission to the high school counselor and college representative/advisor to communicate regarding my progress in the program.
