Course Requests/Registration

Who needs to register?

- **ALL** 9-11 grade students need to register for next year.
- **ALL** 9-11 grade students need to pick classes for next year.
- Teachers and counselors will review the course requests made by students and will adjust accordingly if there are any other needs that students have.

Where do all students go to register?

Go to:

STUDENTVUE - In your Rapid Identity tiles

Click HERE if you need more information on how to get to Studentvue and the registration process.

What do all students need to think about?

- Core classes(English, Math, Social Studies, Science) If changing a core class (AP/CIS/IHCC), choose it as an alternative course and we will change it in the system.
- Electives - Choose enough to have 12 total credits if you want a study hall
- Electives - Choose enough to have 14 total credits if you don’t want a study hall.
- Include at least 3 alternate electives in case your choices are full or we aren’t able to offer a class.

Postsecondary Education Opportunity (PSEO)

- If you are exploring PSEO:
  - Choose a full year of classes at BHS
  - Choose PSEO 0051/0052 as an alternative course
  - If a first time PSEO student, plan to attend the PSEO information night on February 21st

What if I want a supplemental Virtual Academy course?

- Choose a full year of courses at BHS
- Choose VA 0045/0046 as an alternative elective course
- BHS staff will reach out to you after the registration process to determine which course you are interested in

If you request an A class, you have to request a B class

Example:

If you choose Aerospace A, you also need to choose Aerospace B.

If you choose Spanish 2 A, you also need to choose Spanish 2 B.

What if I don’t choose anything?

- If you do not choose course requests and alternates then counselors will choose for you. We want to know what you really want to do next year!
