

# CHRIST THE KING CATHOLIC HIGH SCHOOL

**Believe.**

**Think.**

**Serve....**

*More than our motto, it's the foundation of everything we do to help our students become confident, faith-filled individuals with the knowledge and skills needed to thrive. Students who make their home Christ the King will build, create, lead, experiment, perform, compete and become true Crusaders. Our rigorous and challenging curriculum is taught by top-notch faculty who use an inquiry-based learning model to ensure students are prepared to meet a competitive future. Our students graduate with a strong work ethic, a desire to achieve excellence, and a faith-filled heart to serve. Discover what it means to be a Crusader....*

**Christ the King Catholic High School (CTK)** is an inclusive, welcoming co-educational community for students and families of all faith traditions. Established in 2011, CTK provides a rigorous academic college preparatory program in a nurturing environment that celebrates every student for his or her God-given potential. At CTK, we focus on the process of learning utilizing an inquiry-based teaching model. Our science sequence begins with physics and a logic course that is required of all freshman and concludes with a study in philosophy during senior year.

*"Faith and reason," wrote Saint Pope John Paul II, "are like two wings on which the human spirit rises to the contemplation of truth." Graduates of Christ the King will be marked by these wings and distinguish themselves as masters of the "tools of learning." In accordance with our mission, students aspire to "believe sincerely, think critically, and humbly serve others in the name of Christ the King."*
