Dessie F. Evans Elementary

Home of the Owls

7911 144th ST E
Puyallup, WA 98375
253-864-5500

Absent from School ?

Dessie F. Evans Office: 253-864-5500

Each day your child is ABSENT from school, we ask that you call the school's office. This line is available 24 hours a day. **Give your child's first and last name and reason for absence.**

If we do not hear from you before 10:30a.m. you will receive a call from the automated system telling you that your child is absent from school.

All student absences are marked **Unexcused** until we receive a call or written parental note from a parent/guardian.

Unexcused absences may result in disciplinary action. Under the State's mandatory "BECCA" attendance law, (7) unexcused absences in a month and/or (10) in a school year, the District will *file a petition with the juvenile court seeking the Court's jurisdiction over the student's attendance in school.*

All correspondence regarding your child's unexcused absences and/or tardies is placed in his/her permanent records.

Welcome to Dessie F. Evans Elementary, home of the Owls! I am honored to have the opportunity to serve as the Principal at Dessie F. Evans Elementary School. We have built a strong staff that will work together for the success of each child in our care. We will strive to create an environment that supports all students and staff. The culture we have been working hard to create includes establishing an atmosphere of "community" with every staff member taking responsibility for the success of each student we serve.

On January 21st, 2019 Dessie F. Evans spoke to students and staff of Kalles Junior High in honor of Martin Luther King Day. She charged our schools and community to "Be the One". She stated, that everyone is special, everyone needs to be treated with respect and everyone has skills and talents. She went on to say, "If you can Be the One, Be the One to do the right thing, to make a positive difference, I guarantee you will have a better school and we will have a better world." At Dessie F. Evans Elementary School, we are ready to "Be the One" for our student and our community by building authentic relationships, meeting academic and social/emotional needs of each child and providing a rich academic experience that will inspire curiosity and a love to become a life long learner.

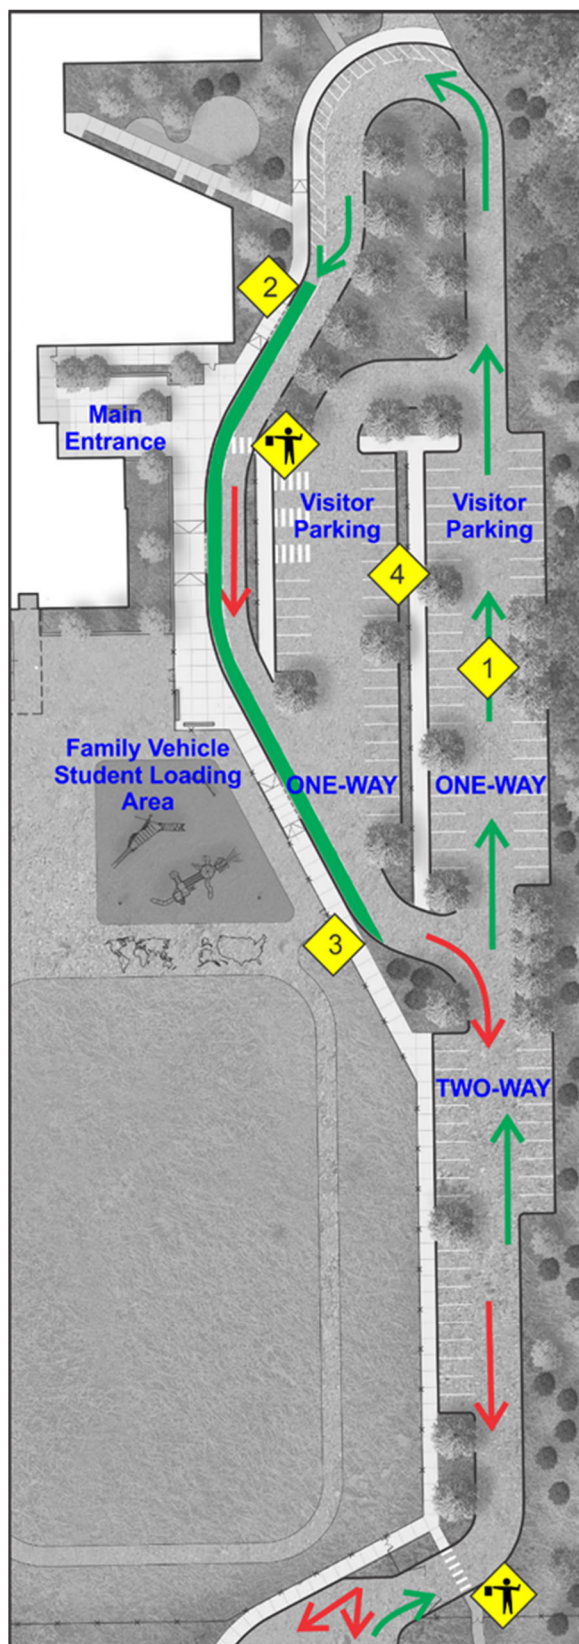

Your Principal,
Kevin Hampton

Guidelines for Arriving or Leaving in Cars

As a member of the greater South Hill / Puyallup community, Dessie Evans Elementary School aims to minimize our impact on traffic and parking in the neighborhood. If you have no other option but to use a car for your student's trip to and from school, consider carpooling and/or occasionally using an alternative transportation choice. When driving, to be a respectful neighbor and to ensure the safety of all students, staff and visitors who walk, bike, drive, and take the bus to and from school, please:

- DO** follow speed limits, including 20 mph in the designated School Speed Zone when children are present.
- DO** arrive between 9:05 and 9:25 A.M. for morning drop-off (between 10:05 and 10:25 A.M. on late-start Mondays); it is not recommended that students arrive or be present on school property before playground supervision begins at 9:05 A.M. (10:05 A.M. on late-start Mondays).
- DO** use the designated loading area (see Figure 3) **ONLY** for student load/unload during the morning drop-off or afternoon pick-up periods.
- DO** pull all as far forward as possible in the designated loading area before stopping at the curb.
- DO** follow instructions provided by school staff supervising the drop-off/pick-up activities.
- DON'T** park, loiter, or delay departure from the student loading area during morning drop-off or afternoon pick-up, under any circumstances
- DO** watch for pedestrians, bicyclists, and crossing guards near the school, at intersections, crosswalks, and on campus.
- DON'T** pick-up, drop-off, or otherwise block the travel lane at the main entrance or through the school parking lot during times when vehicles are lined up for the designated loading area.
- DO** park in the designated visitor spaces east of the main entrance when visiting the school or when waiting for students to be dismissed.
- BE COURTEOUS**, and follow applicable traffic laws when using nearby street and roadways for parking or waiting:
 - Stay 5 feet from driveways
 - Stay 15 feet from fire hydrants and mailboxes
 - Stay 20 feet from crosswalks or unsigned intersections
 - Stay 30 feet from a stop sign or yield sign
 - DON'T** block travel lanes

Guidelines for Arriving or Leaving in Cars (continued)

Follow directions given by staff at crosswalks and in the parking lot.

Queue vehicles to the right, to allow for one queue lane and one travel lane.

Proceed forward in line until you reach the loading area; pull as far forward on the curb as possible.

Drop off and pick up students in the student loading area ONLY; the area extends from 2 to 3 on the map.

Do not drop off or pick up in the visitor parking areas unless you are parked and walking with your student to or from the school.

Use caution at the driveway; be aware of entering AND exiting vehicles in the center turn lane on 144th St E.

→ Entering vehicles

→ Exiting vehicles

Transportation Options:

Walking & Biking – Walking and biking to school are great ways to get some exercise for you and your student, enjoy your neighborhood, teach your student safe walking habits, and interact with others in the community. You can also avoid the stress and frustration of driving, parking, and school traffic congestion, all while helping the environment by reducing vehicle emissions. The designated walk area and walk routes for Dessie Evans Elementary School are shown on Figure 1.

For students within walking distance, walk with a friend or start a **walking school bus** organized groups who walk to and from school together, with supervision for younger students, and following the walk-to-school guidelines. Be sure to stay on sidewalks, cross streets at marked crossings, and with the help of crossing guards whenever they are present.

Students who live outside walking distance, biking to school is another way to get all the great benefits of walking. Similar to a walking school bus, forming a **bicycle train** provides supervision for younger students, a group to ride with, and a set route to follow. You can start as a group from a fixed point or establish “bike stops” along the way, to pick up additional riders coming from other neighborhoods.

Identify obstacles that make it hard or impossible for your student to walk or bike to and from school. Working together as a school community, there may be simple improvements that can be funded and built to complete safe walking or biking routes. Throughout the year, take advantage of national campaigns, such as Bike to School Month or Walk to School Month, to try new ways to get to school and possibly form new habits.

School Bus – School bus transportation significantly reduces the number of family vehicles accessing the school site during arrival and dismissal and is available to students who live outside the walk area or who meet other special qualifications. For more information go to the District’s Transportation Services site, found under Departments/Programs (Student Transportation powered by Traversa (tylerapp.com))

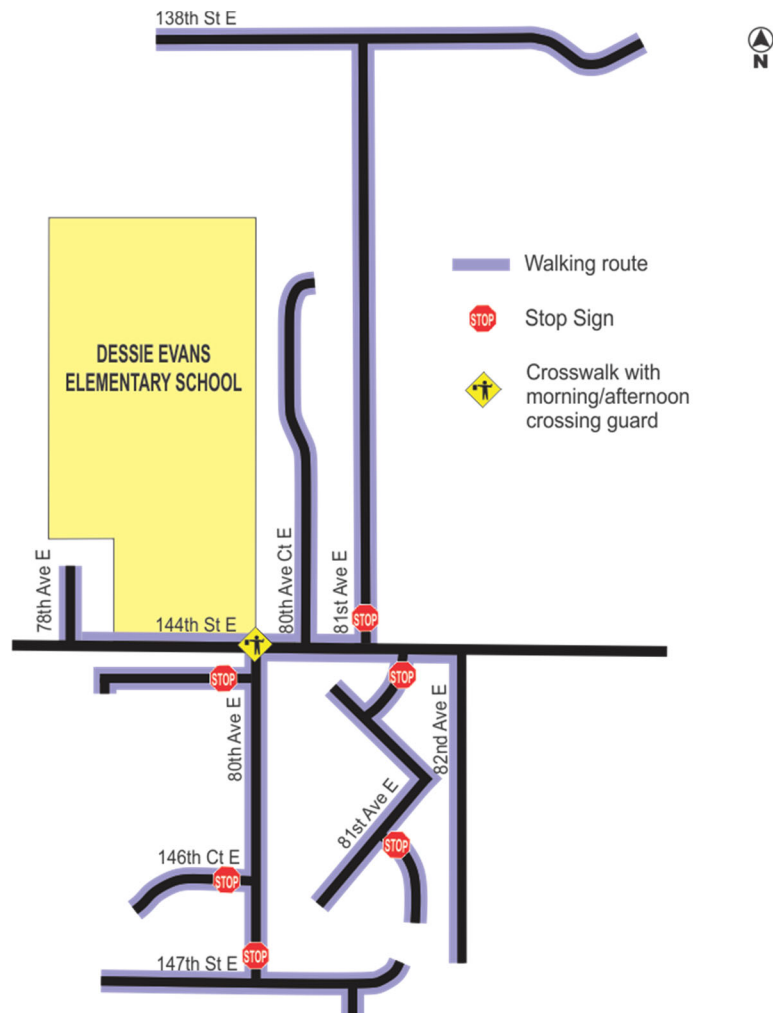

Carpool – Set up a carpool with other students or organize a carpool group. Sharing driving responsibilities with at least one other family can reduce vehicle trips to the school site and provide busy families with flexibility.

Multi-mode – Transportation doesn’t have to be one-and-done or set-and-forget! Choosing a non-driving mode or a high-occupancy driving mode even one day per week helps reduce school traffic congestion. Form a walking school bus to get safely to the school bus stop, or form a bicycle train to get to a carpool ride. As a family, knowing and being comfortable with multiple ways of getting to and from school can also provide flexibility when plans change unexpectedly.

Guidelines for Walking and Biking To and From School

Students who live within the Dessie Evans Elementary walk area, shown on Figure 1, or within safe and comfortable biking distance are encouraged to walk or bike to school. Families are also encouraged to participate in a walking school bus or bicycle train, with adult supervision, following set routes.

[Figure 1](#). Walking Routes to/from Dessie Evans Elementary School

When Walking to School	When Biking to School
<ul style="list-style-type: none"> Stay on sidewalks, where available. Cross 144th Street E at the 80th Ave E crosswalk ONLY. Cross all other streets at stop signs. Resource: Walking School Bus 	<ul style="list-style-type: none"> Students in grades 4—6 (helmets required) Ride on the right side of the road, with traffic. Stop, dismount, and look all ways before crossing an intersection. Resource: Bicycle Train

Guidelines for Taking the School Bus

School bus transportation is available to students who reside within the school attendance area and live outside the walk area or who meet other special qualifications. Taking the school bus can be combined with other transportation options, such as forming a walking school bus, bike train, or carpool with other families to get to and from school bus stops safely.

For information, see the bus schedule and routes page at the District’s Transportation Services site, found under Departments/Programs.

Guidelines for Special Events on Campus

When a large event is held on campus, parking will be at a premium. For those who live close enough to walk, please do so. For those who drive, be aware of the areas where parking is allowed to occur.

Figure 4 shows parking areas for large events.

[Figure](#) 4. Parking for Special Events at Dessie Evans Elementary School

DO park in designated areas only. **DON'T** park in fire lanes. **DON'T** block entrances, exits, or curb ramps.

Parent Newsletter

Dessie Evans Parent Newsletter is sent via ParentSquare to every Dessie Evans family household that has an email address on file. Please make sure we have your correct email so you don't miss them!

If you do NOT have access to e-mail, contact the school office, and a hard copy will be sent home with your child.

Volunteers Make the Difference

There are several ways to be involved in your child's school. Please consider volunteering at one of the following volunteer programs:

- Movie Night
- Fundraising
- Book Fair
- Lego Night
- Staff and Student Appreciation
- Field Day
- Bingo Night
- Yearbook
- Popcorn Friday
- Swim Night
- Trunk or Treat
- 6th grade committee
- Moments with Moms
- Guardian Events
- Ice Cream Social
- Snuggle Up & Read
- Restaurant Nights

Volunteer Program Guidelines

As a volunteer in the Puyallup School District, you are an important member of our educational team. Before working with students, volunteers are **REQUIRED** to:

- **Fill out a 'Volunteer Application'** online @ www.puyallup.k12.wa.us Click on 'Community'; 'Volunteer Services'; 'Online Volunteer Application' and follow the prompts to fill out the simple 4-step application. If you do not have access online, please get the forms in the front office and have an ID ready to be copied as well. (You will be contacted by email or US Mail when your application has been approved)
- **Participate in a Washington State background check process.** (This will be done after filling out a volunteer application at the district level)
- **Sign-in and sign-out** at the school office each day that you volunteer and record your service hours.
- **Wear an identification badge** while in the school building. Students and staff are very aware of strangers around the building. If not wearing a badge, you may be asked why you are here and escorted to the school office. If an unidentified person is on campus during school hours, a potential lockdown could occur until person is identified.
- All volunteers are to adhere to the PSD volunteer guidelines.

Our staff is very pleased and proud that you are choosing to contribute your time and effort to work with our students and staff. You will be providing a wealth of support, and we hope you find your time at Dessie Evans Elementary to be rewarding and worthwhile.

Make-up Homework

If your child is absent (1) day **ONLY**, homework will be waiting for your child upon his/her return to school the following day.

If your child is absent (2) days or longer, please contact the school office to request homework. Homework materials can then be picked up, in the school office, between 4:00 & 4:30 p.m., or sent home with a sibling or classmate. Please give one day's notice when requesting homework.

Lunch Prices

*Subject to change
K-6 Student

HOT Lunch - \$3.95

Reduced HOT Lunch
Grades K-6 **Free**

Milk - \$.85 cents

Adult HOT Lunch - \$5.45

Breakfast \$2.95

Planned Absence

If you know your child will be absent for a reason other than illness, and will be absent for **three days or longer**, you will need to obtain a "Planned Absence" form from the school office. This form should be filled out and re-turned PRIOR to the absence.

Bicycles

Students in are permitted to ride bicycles to and from school.

Bicycles are NOT to be ridden on the school grounds or on the sidewalks in the school block. Students **MUST** walk their bicycles in these areas to the parking rack. The school

assumes NO responsibility for loss or damage of bicycles.

Helmets are required.

Release of liability permission form **MUST** be completed on a yearly basis. This form may be picked up in the school office.

Riding Devices Prohibited

Students are prohibited from riding devices including, but not limited to, skates/in-line skates, skateboards, scooters, wheeled shoes, etc. to or from school or on school property.

These items are disruptive and present a safety hazard and may be confiscated.

School Lunch Program

Hot Lunch

(one lunch credit) Can be purchased by cash or check, made out to Puyallup Food Service. Your child will purchase lunch credits through his/her classroom lunch line.

Puyallup School District's Food Service encourages parents to purchase at least one weeks worth of credits. Note: On 'Early Release' days, full hot lunch is served with the exception of Fair Day and the Last Day of School.

Free and Reduced

Free/Reduced lunch program is available for qualifying families only. Forms are in the school office. For more information, call the District's Food Service office at (253) 841-8773 between 8:30-4:30 p.m. Families are **re-quired to apply every school year.**

Online Payment

www.EZSchoolPay.com

You can purchase your child's meals using your credit or debit card. With this online service, you can also view your child's cafeteria purchases, make payments for all your children even if they attend different schools, and set up automatic email reminders to tell you when a payment is needed.

If Your Child Forgets Lunch Money?

While it is uncommon that students forget their lunch or lunch money, it does occasionally happen. In order to respect the wishes of our students' parents/guardians, we need you to provide direction in the event your student comes to school without lunch provisions. In the fall you will be provided with a custom link to access your student's Puyallup School District meal account and select how you would like us to handle the situation in the event your student finds they are without adequate funds. Based on the information provided by you in your survey, students will be served with a granola bar and milk or a lunch. If you need further assistance, please contact the food service office at 253-841-8773.

General Discipline

Discipline

To ensure that Dessie Evans

students receive a quality education, students are expected to follow all behavior guidelines regulating school programs (i.e., class rules, playground/gym rules, bus rules and District Elementary Rules and Regulations). Staff will work cooperatively to maintain a nurturing environment at Dessie Evans. We value and depend upon the partnerships and communication we have with the parents/guardians of the Dessie Evans community to help kids succeed.

When a student exhibits inappropriate behavior (breaking established rules) he/she will receive instructional discipline and notification from the office team.

Guidelines followed

By Dessie Evans Staff

- Rules and expectations are taught

and reinforced throughout the school year. Expectations are posted throughout the school.

- Staff will include parents and support staff in the discipline process.
- The staff will strive to create logical consequences to assist in the learning process.
- Correction may include: instruction in conflict resolution, restorative practices, and regulation of emotions. In addition corrections may be verbal correction, change in seating arrangement, loss of privileges (recess, playground equipment, special activity), counseling and/or parent contact by notes, phone calls, conferences.
- If we find a student is having difficulty with a specific behavior on an ongoing basis, we will arrange a time to review the situation with staff and

parents so that a positive plan of action may be put into place.

Suspension

Fighting, intimidation, threatening behavior exhibited by one student against another student or staff member will result in an immediate referral to the school office and can result in loss of recesses, suspension from classroom activities and/or school premises.

Based upon specific circumstances, the principal reserves the right to move immediately into severe consequences: including school suspension, at home suspension, expulsion and contact with legal authorities.

Dessie Evans Elementary PTA 2023-2024

PTA has some excellent services available to parents and children at this school.

We hope you will take advantage of the opportunity to be an active member in the organization that does so much for our children.

You will receive information via Peachjar and our PTA Social Media. To join our mailing list, email us at:

Office Hours: 8:45-4:30

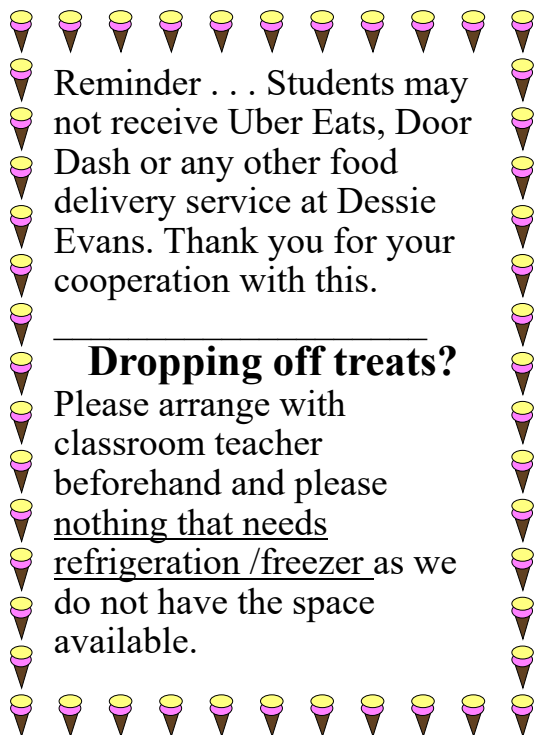

Dessie Evans Elementary Expectations

The Dessie F. Evans believes in a fair and consistent code of discipline that encourages students to be responsible for themselves.

We strive to create an environment where courtesy and kindness prevail and where there is respect for differences in other people, customs, and cultures.

If problems arise, we will work positively to find solutions. If your child has difficulty assuming responsibility at school, we may ask you to help us teach your child an alternative set of behaviors. You may be asked to conference with us and/or support us in developing an appropriate plan for greater success.

Our expectations to follow our school rules are the same during the school day as well as after school at evening performances and activities. Your child's knowledge that his/her parents are actively interested and supportive of the school program almost always results in fewer problems and greater success.

Be the **ONE**

W	We are responsible
I	Individuals that show respect
S	safety in all we do
E	Every kindness counts

Health

Please let our school nurse know about any pre-existing illness or conditions that may affect your child's school life (i.e. asthma, severe allergies, diabetes, etc.) If your child becomes injured or is too ill to remain at school, a parent/guardian (or the person listed on your child's enrollment card as an emergency contact) will be notified. **Please be sure we have current telephone numbers at all times.** Should no one be available, your child will remain at school. If your child needs immediate medical attention, the school will act as a substitute parent and obtain care. We will use our best judgment on whether to call 911 or keep the child in the health room.

Medication at School

Every effort should be made to schedule the administration of medication outside of school hours. If this is not possible, written orders from an approved health care provider detailing the name of medication, dosage, time to be given, and the expected duration of administration are required for both prescription and over-the-counter medications. Written permission from the parent/guardian is also required. Standardized forms for physician orders/parent permission are available in the Dessie Evans office and most doctors' offices.

Medications must be in the original container. Over-the-counter products must be in a new, unopened package. All medications are stored in a locked cabinet in the health room. The school does not supply oral medications of any kind. Students are not allowed to carry medication at school, including cough drops, pain relievers, vitamins, etc. An EpiPen and/or inhaler may be carried by a student with a note from a physician and cleared through the school nurse.

Change of Destination

At Dismissal

We ask that you send a note to your child's teacher, or contact the school office when your child's destination will be different (*going home with a school mate, picked-up by a parent, relative, or friend, ride the bus, etc.*). **Please make every effort to**

do this by 2pm to ensure the message gets to your student before dismissal. Staff is required to send your child to his/her regular destination if the office has not been contacted or a note sent to school prior to the end-of-the-day.

Checking your Child

Out Early?

Always send a written note to your child's teacher if you will be picking your child up early from school. On those occasions, he/she will need to be dismissed and signed-out through the school office. The office will call your child from his/her classroom upon your arrival.

Child LATE to School?

Students are considered late if not in his/her seat by 9:30 a.m. It is very important that all students check into the main office for a Late Slip before going to class, otherwise he/she will be counted as absent instead of late. All late students are marked unexcused unless the child is late due to a doctor or dental appointment.

Pet Policy

We are an allergy aware zone! Due to the needs of our students and staff pets are not allowed onto school property, into the school building, and/or for classroom sharing. This includes pets in cages or bowls. Therapy animals require identification.

Service Animals:

Per District Policy 2028:

Before a service animal will be permitted in school, on school property or at school sponsored events, the student's parent, an adult student or the employee must provide building principal or district administrator a description in writing of the task(s) the service animal is expected to perform in assisting the person with a disability. The request must be provided to the building principal or district administrator at least 10 school days prior to bringing the service animal to school or a school function unless other agreement is made.

The District will provide access to a person with a disability who needs a service animal provided that the tasks performed by the service animal are directly related to the disability and the animal has been individually trained to perform a task, is housebroken; is free of disease and parasites, is kept clean and groomed to avoid shedding and dander, for dogs, and has a harness, leash, or tether so it cannot run free and is under the control of the person with a disability.

A service animal must also be licensed and immunized in accordance with any applicable laws, regulations and ordinances of the city of Puyallup, and/or the county, and the state of Washington. Owners must provide proof of licensing and immunization status at least annually.

Special Provisions/Miniature Horses: Requests to permit a miniature horse to accompany a student or adult with a disability in school buildings, in classrooms, during transportation or at school functions will be handled on a case by case basis considering the type, size, and weight and whether the facility can accommodate these features.

Balloons

Balloons are not allowed in classrooms due to sensitive allergies and the distractions that they can cause.

Lost and Found

All valuable articles found at school are taken to the school office. Other personal articles are placed in the Lost & Found. You and your child should report any loss as soon as possible. We recommend labeling all clothing articles (*particularly coats, sweaters and sport hats*) with first and last name. Please check into the main office prior to entering the Lost & Found for missing clothing articles. Smaller valuables are kept in the main office. Unclaimed items are donated to a local charity the day prior to Winter Break and the day after the conclusion of the school year. Lost & found is open to guardians before and after school for security purposes.

Important Information

Student Enrollment Verification Information

This information is our lifeline to YOU!

Please remember to inform the school office with any changes (*address, home & work phone numbers, etc.*) throughout the school year. In case of an emergency and parents cannot be reached, we strongly advise (2) names of local persons who may be contacted and to whom the child may be released. If the name doesn't appear on the verification form, we cannot release the child. We do not release a student to names on the EVF early unless we have a note or phone call from parent/guardian. This is reserved for emergencies only. The school sends directions/copy in the 1st day packet. If you need directions, please contact the school office. Please complete the online enrollment verification by 10/01/23. **This is a WA state law 5D51-05J-04 rev.2**

Phones at school

We know that having a cell phone or a smart watch is a great way to keep in touch with your child. Phones and smart watches must be **OFF** and in the backpack during school hours. If your child fails to follow the rules there are a set of consequences:

- First offense - phone or smart watch is removed from child and sent to office for student to pick up at the end of the day.
- Second offense - same as above and parent notified.
- Third offense - Removal of phone or smart watch from child for the day, parent notified and conference to be set with family.

www.puyallup.k12.wa.us

The district's web is the district's 'gateway of information' to the community and is designed to be easily navigated by students, parents, and community members.

Emergency: current announcements, emergency contact, school closure information, weather policy, shelter-in-place, and overview.

Transportation Information:

Bus schedules and routes, bus behavior rules, and overview.

Food Service:

Lunch menus, free/reduced lunch application, and overview.

District Calendar: Elementary, secondary, district events, and overview.

District Schools: Overview on each school in the district (school hours, calendar, supply lists, etc.)

ParentSquare:

ParentSquare is an automated parent notification system. This system can rapidly alert parents of weather related school closures or changes in start or dismissal times. ParentSquare has the capacity to reach all families in a given school, or the entire district, within five to ten minutes from the time the first call is placed. In an emergency, the system is programmed to call the HOME and WORK phone numbers of parents/guardians listed on the child's enrollment card.

Dress and Appearance:

Dessie Evans Elementary will follow District Policy 3224, found in the Rights and Responsibilities handbook.

- No flip-flops or slides due to safety in the hallways and recess.
- Clothing should not be a distraction to the learning environment.

Transportation Department

Students that have the opportunity to ride a school district bus may do so as long as they display behavior that is reasonable and safe. Choosing to follow unacceptable behavior will result in loss of bus riding privileges. All students are expected to follow school and bus safety rules when riding district buses. Transportation can be reached at (253) 841-8775 or you can find more information on the PSD website (under bus schedules).

Recess

At Dessie Evans we create an opportunity for all students to be engaged in activities of their choosing. We continually teach new games and routines to ensure our playground is safe, welcoming and enjoyable for all students. Each student will be required to go outside during recess periods unless there are severe weather conditions. It is important that parents provide clothing and instructions to their child for the outdoor periods. During extreme weather conditions, the indoor recess policy will be put into place. If the student's medical professional deems it necessary the student can't do recess, a doctor's note will be required.

Recess is about empowering children to create a community in which every child belongs.

Dessie F. Evans Recess Expectations Safety First!

1. Obey and respect Recess Coaches.
2. Get permission from a coach to enter the building.
3. Keep hands and feet to yourself.
4. Throw only appropriate playground equipment.
5. Leave rocks, dirt, snow and ice on the ground. No sliding on field or ice.
6. Use equipment properly. Help clean up at the end of the day.
7. Play games according to the proper rules. Be a good sport at all times.
8. Kick balls only on field area.
9. Leave all personal play equipment & toys at home.
10. Do not eat on the playground (except Treat Days).
11. Spitting is not allowed.
12. Chewing gum is not allowed.
13. Walk on paved areas and sidewalks.
14. Line up quietly and quickly when the whistle blows.
15. Report fights or scuffles to a recess coach. Do not try to break them up.
16. Settle conflicts peacefully. **ANY FORM OF FIGHTING IS PROHIBITED.**
17. Stay within playground areas.
18. No Toys or trading cards allowed at recess.
19. Have Fun!

School Colors

Champion Blue, Grey and Black

Mascot

Owl

MCKINNEY-VENTO (HOMELESS) ACT

Students who are homeless or who are in transitional housing may be entitled to certain services from the school district. Please contact the school counselor for additional information on the McKinney-Vento Act.

MOVING?

Let us know!

Change of Address

Parents/Students must submit a change of address and telephone number upon moving. Parents must provide the office with home and work numbers. Please get the forms from the main office. Please complete this process within 10 school days upon move.

Be the ONE

W	We are responsible
I	Individuals that show respect
S	safety in all we do
E	Every kindness counts

During school hours, we ask that you come to the office if you need your student and not communicate to students through the fence while students are outside. This is for safety measures of all students/staff. The office is happy to call your student in if you need them.

PeachJar

Our School District has switched from paper to digital flyers. Watch your email for all flyers for the school and PTA.

WATCH D.O.G.S.

Watch D.O.G.S. is a national program that asks dads and father figures to volunteer at least one day a year at their student's school.

The purpose is to bring a dad's presence to their child's school and support the staff with another set of eyes to watch over our kids. We are always looking for more dads and father figures to get involved.

If you are interested and would like more information, contact the main office.

Party invitations can not be passed out by school staff. They also can not be sent home in folders. Your student is welcome to pass them out. Thank you for your understanding.
