Getting Care - Choose a personal dentist

A personal relationship with a dentist is at the heart of good care and good health. That's why we encourage you to choose a personal dentist who gets to know you and your dental and health history.

Visit **healthpartners.com** to view the entire national network of 38,000 dentists at 82,000 locations. To learn about your specific benefits, log on as a member, consult your plan documents or call Member Services at **952-883-5000**, **1-800-883-2177** or the number listed on the back of your member ID card.

Although provider information is updated regularly, if you wish to be certain of receiving care from a specific provider, you should contact that provider to ask whether they are still a HealthPartners provider and whether or not the dentist is accepting new patients.

Access to health care services does not guarantee access to a particular type of dentist. Please contact Member Services at **952-883-5000** or **1-800-883-2177** for specific information about access to different kinds of dental providers.

THIS DENTAL CARE PLAN MAY NOT COVER ALL YOUR DENTAL CARE EXPENSES. READ YOUR MEMBERSHIP CONTRACT TO DETERMINE WHICH EXPENSES ARE COVERED.

Plans are underwritten and/or administered by HealthPartners, Inc., Group Health, Inc., HealthPartners Insurance Company and HealthPartners Administrators, Inc. Fully insured Wisconsin plans are underwritten and administered by HealthPartners Insurance Company.

Provider reimbursement information for dental plans

Our goal in reimbursing providers is to provide affordable care for our members while encouraging quality care through best care practices and rewarding providers for meeting the needs of our members. Several different types of reimbursement arrangements are used with providers. All are designed to achieve that goal.

Some providers are paid on a "**fee-for-service**" basis, which means that the health plan pays the provider a certain set amount that corresponds to each type of service furnished by the provider.

Some providers are paid on a "**discount**" basis, which means that when a provider sends us a bill, we have negotiated a reduced rate on behalf of our members. We pay a predetermined percentage of the total bill for services.

Some providers are paid a "**salary**" with a possible additional payment made based on performance criteria such as quality of care and patient satisfaction measures.

We pay some groups of providers on a "**capitated**" basis, which means that the provider group receives a set fee each month for each member enrolled in the provider group's clinic, regardless of how many or what type of services the member actually receives. Provider groups are, therefore, required to manage the budget for their entire patient panel appropriately.

Occasionally our reimbursement arrangements with providers include some **combination** of the methods described above. For example, we may capitate a provider for certain types of care and pay that same provider on a fee-for-services basis for other types of care. In addition, although we may pay a provider such as a clinic using one type of reimbursement method, that clinic may pay its employed providers using another reimbursement method.

Check with your individual provider if you wish to know the basis on which he or she is paid.
