

PTO/SIC Notes – September 29, 2023

I stayed by the front door to let in anyone who was late, so I missed the beginning. The information shared was from the Instructional Rounds. Mrs. Sackman will be going over everything she said last night with our staff in the meeting Monday afternoon.

Check out what the team from the District (not our staff) had to say about us...

In 7 years of attending school at BES, our predictions are that students will be:

1. Caring and loving
2. Show acceptance and tolerance
3. Be outside the box thinkers (what box?)
4. Resourceful
5. Creative thinkers
6. Collaborative professionals and learners
7. Adults who understand their value
8. Able to envision the future
9. Problem solvers and risk takers
10. Able to have self confidence and self efficacy

PTO News...

Read-a-Thon

As of last night there were 18,717 minutes of reading logged

\$4,250 raised – we will get to keep \$3,400

Considering 2 read-a-thons next year (November and March)

They would like to do an export of data this year so we can reward things like most improved next year.

Bank Account

We have an EIN and we are registered with the state.

Our official registered name is Sammy Soars BES PTO.

District asked that all school PTO's get a PO Box rather than using the school address

PTO will be developing their own Facebook page.

Upcoming Events
