

PTO/SIC Meeting Thursday October 26

PTO business was first this evening.

The PTO account:

- You can be approved to receive funds from the PTO by filling out the survey monkey form located in the Hub.
- Under \$100 can be approved by the treasurer and president.
- Over \$100 needs to be approved by the board.
- The approval process could take up to 2 weeks - plan ahead!
- So far, safety vests have been purchased for the elementary honor society for their service project. They will be cleaning up The Bluff and they are working with the Land Trust to understand the purchasing of land in Beaufort County.

Read-a-Thon

- Profit of \$3,928
- Would like to adjust the prizes for next year. We like the in-house prizes but for example, a kinder student won a homework pass and they don't have homework.

Moe's Spirit Night

- Profit of \$410
- Will have a 2nd Spirit Night in March

Braided Pastries Fundraiser

- November 1 through 15 with delivery to the school on December 15.
- Ideas for prizes include free dress passes, STEAM challenges, lunch with the Principal at a nicely set table on the stage, and/or silly string the principal and AP :)

Meeting attendees unanimously voted against having the Penguin Patch Christmas shop that we had last year.

Dances

- Winter dance will be February 8 from 5:30-7:30. It was determined that the theme dances discussed at the last meeting (mother/son and father/daughter) wouldn't be suitable for the dynamic of our school.
- Sneaker Ball will be in April.
- PTO would like to form a dance planning committee and they have asked for volunteers from each team.

I didn't stay for the SIC portion of the meeting because I needed to be downstairs getting ready for the program. A few other meeting attendees that you could check with for that information are:

Mendy Gannon

Michelle Holtzclaw

Debra Haun

Deana Baughman

Lillian Essary
