REPORT CARDS - STUDENT AND SCHOOL COPIES

Report cards for in-district students can be found in the PowerSchool Parent Portal. Grades for out-of-district students will be sent to student's district guidance office in August. Students should advise their counselors when they meet in the fall semester that they took classes in summer school.

PLAGIARISM POLICY

Software utilized in the summer program will notify teachers when plagiarized or AI assisted work is suspected by students. Mentor teachers will review the assignment and determine whether further evaluation or student/parent contact would be warranted. Summer School Principal may require in person evaluation of work if multiple violations are suspected.

If use of AI is confirmed, students will receive a zero on assignment and parent notification. Further attempts to submit work that is confirmed as assisted in any way will result in course being dropped with no credit and no refund.

1st offense: a zero on assignment and parent notification.

2nd offense: drop of course (s) with no refund.

DRESS CODE

As we prepare our students for the world of work and promote learning in the school environment, students are expected to dress in compliance with the following guidelines: NO bare midriffs are permitted. NO backless or strapless tops are allowed. NO see-through or otherwise revealing clothing is allowed. Jeans, pants, skirts or shorts must provide adequate coverage and be of reasonable length. Hats, bandanas, hoods and other head coverings are not to be worn in school (religious regions excluded). Clothing must not display inappropriate slogans and/or graphics including those related to or depicting behavior prohibited in the Code of Conduct. Students who wear inappropriate clothing will be asked to change or call their parents to bring them appropriate clothing. This is a Level I violation as outlined in the Troy School District's Rights and Responsibilities Code of Student Conduct handbook.

IN PERSON COURSES

Each summer school session is an intensive 16-day course of study, it is recommended that students limit or curtail their work hours or other activities that would prevent them from giving their best effort to class work and homework. Classroom disciplinary problems and/or concerns should be minimal. All students are expected to behave in a mature and responsible manner.

IN PERSON COURSE REFUNDS

A \$20 processing fee per class is assessed for all drops and/or changes. Refunds must be requested before the second-class meeting of PE classes. NO REFUNDS will be given for classes dropped after the second class begins. *See virtual policies in the next column for virtual class refund policies.* Checks returned for insufficient funds (NSF) will be assessed a \$20 fee. If a class must be cancelled due to low enrollment, affected students will be notified the day before their class is scheduled to begin.

Level II and Level III Violations

Students will be dropped from the program with loss of credit and no refund.

INTRODUCTION TO PHYSICAL EDUCATION

On the first day of class, students will meet their instructor at 7:50am in the Troy Athens High School main gym (there will be signs). Prior to the first day of PE, a welcome letter will be emailed to all students/parents with details about the upcoming session. It will also be posted to the Summer School Google Drive. Students receive both a final grade for the course and a pass/fail grade for the swim test. Attendance is mandatory for PE final exams. Final exam days are 7:50am-10:00am and are on the last day of class.

VIRTUAL COURSES

The student will work to complete the selected curricula with due diligence during the scheduled program time. Staying on target with timelines is the key to success. The student agrees to abide by all TSD acceptable use policies while working on school district computers and/or software. Failure to abide by these policies may result in loss of computer privileges and dismissal from the program.

VIRTUAL COURSE REFUNDS

There is a \$20 processing fee per class for each refund or change requested. Refunds must be requested either before the first quiz is completed or before July 11, if no quiz has been taken. Once the class is 30% completed, a grade will be recorded, even if the class is dropped. This means an "E" will be reported if the class is not completed after the student reaches a 30% completion, even if the class is dropped.

VIRTUAL COURSE FINAL EXAMS

Students will follow detailed virtual program schedule as outline on page 2. Students who have completed the sequential material in their class will have the opportunity to take their final exam between the hours of 8am to 12pm, Monday through Friday as set up with their mentor teacher. Students needing to take their final exam on the last day, will need to wait until their teacher has reviewed their course material and opened the exam.

There will be NO extensions given. No retakes given. Any student who is unable to take their final exam will receive a zero on the exam and will receive a grade that includes that score in their final average.

The Final Exam is worth 30% of the final grade in ALL virtual courses. Additionally, there are no A+ Grades issued during the session. The highest grade possible earned (93% or greater) is an A.
