Increments of \$250.00 per year will be provided for teachers in the BS columns who exceed the number of steps allowed.

Increments of \$350.00 per year will be provided for teachers in the MS columns who exceed the number of steps allowed.

Defined Benefit - The Board will provide \$450 base defined benefit per month to each teacher on a "use it or lose it" basis to apply toward the District's group health insurance plan. This amount may increase or decrease dependent upon the level of participation in the district's wellness incentive program.

Unofficial transcripts due to Human Resources before September 1st for movement on the salary schedule. Official copy in a sealed envelope addressed to the Human Resources Director must be received by September 15th.
