How to join

The Pupils' Healthcare Scheme gives you the peace of mind that should your child become ill, which is an already stressful time, they have fast access to treatment and care for eligible conditions. Cover is available for only £126 per child for each term during the membership year 1 September 2023 to 31 August 2024. This includes Insurance Premium Tax (IPT), however AXA Health reserve the right to amend the charge if IPT increases.

Cancer cover and care

The scheme includes cover for cancer including chemotherapy, radiotherapy, diagnostic tests and surgery.

The main things we don't cover

Like all health insurance schemes, there are a few things that are not covered.

We've listed the most significant things here, but please also see the details in the scheme handbook.

- Treatment of ongoing, recurrent and long-term conditions (chronic conditions).
- Treatment received outside the UK.
- Private GP fees.
- Treatment of symptoms generally associated with the natural process of ageing.
- Health checks and dental treatment.
- Learning and development disorders.
- Fees for specialists who aren't recognised by AXA Health or charge above our agreed rates.
- Any costs incurred once your child's cover has ended, even if they were pre-authorised, or the condition began when your child was covered by the plan.

The details given are a summary of the scheme. Full details of the cover available, including what is and isn't covered, are given in the membership handbook. A copy is available at axahealth.co.uk/pupilshealthscheme.

Membership information

Once your child is a Pupils' Healthcare Scheme member, there are a few things you need to know. Firstly, any treatment your child is looking to have needs to be medically necessary. We recommend you contact us before any treatment to confirm your child's cover.

Paediatric facilities in private hospitals

There will be cases where the NHS will be best placed to provide care locally as not all private hospitals in all areas of the country have suitable facilities for children. When this is the case we will talk to you about your child's NHS options as well.

Fast Track Appointments

Our Fast Track Appointments team can help you get those critical first specialist appointments into your diary as soon as possible. Ask your child's doctor for an open referral. This is a type of referral that states the type of specialist you need to see, without naming an individual specialist. Once you have an open referral, get in contact, and we'll provide you with the names and details of up to three specialists for you to choose from and make an appointment with, at a convenient time.

Making a claim, some important steps to remember

1. The planned treatment must be covered under your child's membership.
2. In order to claim please call **03301 025 503**. Further information on claiming can be found in the handbook.
3. Outpatient, day patient or inpatient treatment must be carried out by a recognised specialist in a hospital within our directory, unless agreed by us in advance.

This is a summary of the cover that is available, for full Terms and Conditions and details please refer to the Pupils' Healthcare Scheme handbook, available at: axahealth.co.uk/pupilshealthscheme A copy of the schedule of insurance is available upon request from your school.

Making a complaint

We aim to provide you with the highest possible standards of service but accept there may be occasions when you feel that things have gone wrong for you and you are unhappy with us. If you have a complaint about any matter please contact us and we'll do our best to address your concerns. Your feedback is vital to helping us to improve.

Further details on how to complain can be found in the 'Making a complaint' section of the membership handbook. If you're dissatisfied with the outcome of our investigation, you can ask the Financial Ombudsman Service (FOS) to consider your complaint. You should contact the FOS (0800 023 4567 or 0300 123 9 123) to find out whether you'd be eligible to have your complaint considered by them, as you'll need to meet specific criteria depending on your particular circumstances.

The Financial Services Compensation Scheme

In the unlikely event that AXA Health becomes insolvent and is unable to pay benefits under the scheme, you may be entitled to claim compensation from the Financial Services Compensation Scheme (FSCS). To find out whether you'd be eligible to claim under the scheme you should contact the FSCS (0207 892 7300).

Further information about the operation of the scheme is available on the FSCS website: [fscs.org.uk](https://www.fscs.org.uk).

Cancellation rights

You can cancel your child's cover before it begins by notifying your child's school. You can cancel your child's membership within 21 days of cover starting and receive a refund from the school if no claims have been paid. If a claim is made within the 21 day cancellation period and the parent/legal guardian still wishes to cancel, then the parent/legal guardian is liable for the premiums for that term. If at any time you wish to end your child's cover you can do so from the end of any term and no refund will be made.
