

Andover Regional School District School Climate Survey Results

September 20, 2023

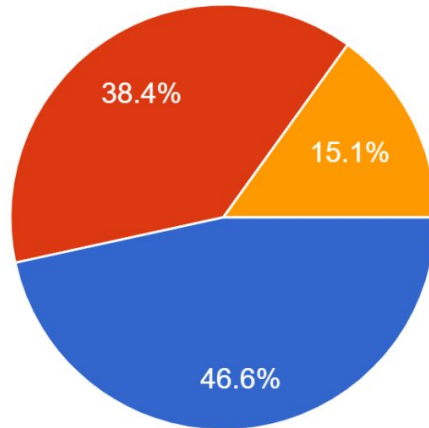

Scope/Purpose: A school climate survey was shared with ARSD families for feedback from the 2022-2023 school year. 73 surveys were collected utilizing a Likert Scale 1-5 with 5 being the highest rating. We are utilizing this feedback from our families for celebration, reflection, and improvement.

Demographics

Which school does your child attend?

73 responses

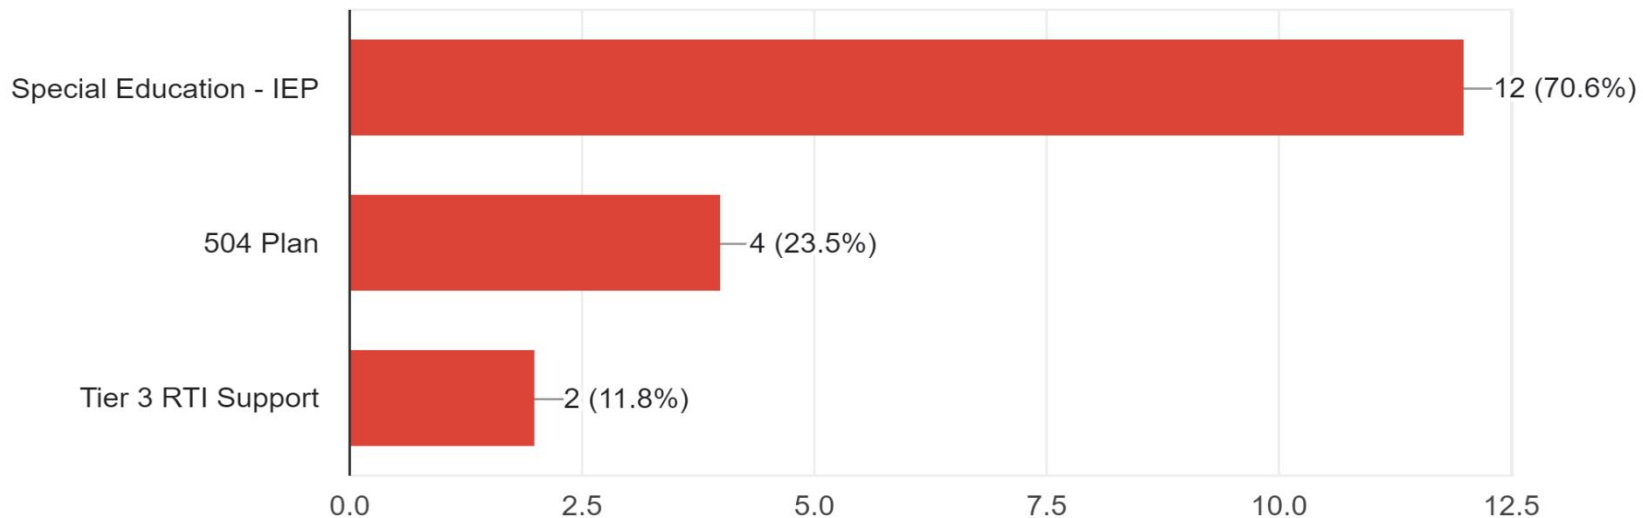

- Florence M. Burd School
- Long Pond School
- I have children in each school

Demographics

66 responses

Areas to Celebrate

- Almost 90% reporting a positive academic experience (3,4,5)
- Almost 90% reporting a positive social emotional experience (3,4,5)
- Almost 90% reporting feeling positive regarding student safety (3,4,5)
- Almost 80% reporting that this parent would recommend ARSD to another potential parent
- Specific teacher “shout outs”
- Teacher/Staff communication has improved
- Principal communication (newsletters) are appreciated

Areas for Consideration/Growth

- Confusion/stress on the homework issue (Too Much/Too Little)
- Balance of electronic instructional resources
- Frequent changing of school times
- Student treatment of other students (HIB vs. Code of Conduct) and confidence of these behaviors being addressed
- Supports for struggling students who do not qualify for services
- Report card comments/Spring conferences (1 Day)
- Transportation concerns with inconsistent pick up/drop off times
