PRAYER OF THE WEEK

Jesus, fortify me with the grace of your Holy Spirit and give your peace to my Soul that I may be free of all needless anxiety, solicitude, and worry.

Help me to desire always that which is pleasing and acceptable to You so that your will may be my own.

(prayer by St. Frances Xavier Cabrini)

SAINT OF THE WEEK

St. Frances Xavier Cabrini

St. Frances was born in 1850. Her father would often gather his children in the kitchen to hear him read from a book on the lives of the saints. St. Frances was inspired by the stories of missionaries working in the Orient and desired to become one herself, which in her day was a man's role. Turned away from being a nun twice due to poor health, she prayed before the relics of her patron, Francis Xavier, the great Jesuit missionary-saint, about founding a new religious order to evangelize the East just as he did. Pope Leo XIII approved of her order, the Missionaries of the Sacred Heart, but instead of sending her to China as she had always desired, he sent her to America to serve the growing European immigrant population, which faced poverty. She found 67 institutions—schools, orphanages, and hospitals. She became the first United States citizen to be canonized by the Catholic Church. Her ministry left a significant mark on the Americas, creating lasting institutions to educate and care for the needy.

Feast day: November 13th

Patronage: immigrants, orphans, and hospital administrators

BIBLE VERSE OF THE WEEK

So submit yourselves to God. Resist the devil, and he will flee from you. Draw near to God, and he will draw near to you. Cleanse your hands, you sinners, and purify your hearts, you of two minds.
-James 4:7-8

ORACIÓN DE LA SEMANA

Jesús, fortaléceme con la gracia de tu Espíritu Santo y da tu paz a mi alma para que pueda estar libre de toda ansiedad, solicitud y preocupación innecesarias.

Ayúdame a desear siempre lo que es agradable y aceptable para Ti, para que tu voluntad sea la mía.

(Oración de Santa Francisca Javier Cabrini)

SANTA DE LA SEMANA

Santa Francisca Javier Cabrini

Santa Francisca nació en 1850. Su padre solía reunir a sus hijos en la cocina para oírle leer un libro sobre la vida de los santos. Las historias de los misioneros que trabajaban en Oriente le inspiraron y deseó convertirse ella misma en una de ellos, algo que en su época era cosa de hombres. Rechazada dos veces como monja debido a su mala salud, rezó ante las reliquias de su patrón, Francisco Javier, el gran misionero jesuita, para fundar una nueva orden religiosa que evangelizara Oriente como él hizo. El Papa León XIII aprobó su orden, los Misioneros del Sagrado Corazón, pero en lugar de enviarla a China, como ella siempre había deseado, la envió a América para atender a la creciente población inmigrante europea, que se enfrentaba a la pobreza.

Fundó 67 instituciones: escuelas, orfanatos y hospitales. Fue la primera ciudadana estadounidense canonizada por la Iglesia Católica. Su ministerio dejó una huella significativa en América, creando instituciones duraderas para educar y cuidar a los necesitados.

Fiesta: 13 de noviembre

Mecenazgo: inmigrantes, huérfanos y administradores de hospitales.

VERSÍCULO BÍBLICO DE LA SEMANA

Sométanse, pues, a Dios. Resistan al diablo, y éste huirá de ustedes. 8 Acérquense a Dios, y él se acercará a ustedes. ¡Límpiese las manos, pecadores! ¡Purifiquen sus corazones, ustedes que quieren amar a Dios y al mundo a la vez!

-Santiago 4:7-8
