BUCKEYE (November 14, 2023) – We are excited to announce the release of school letter grades for the Liberty Elementary School District. Four schools earned an A or B label, while two of which increased their letter grades.

"We are thrilled to celebrate the progress of our schools. This achievement reflects our unwavering commitment to student success," said Interim Superintendent Dr. Cort Monroe.

Las Brisas increased its grade from a B to an A, and Liberty increased its grade from a C to a B. Estrella Mountain maintained its A letter grade.

"At LESD25, we believe in a hands-on approach to education, where every aspect of a child's growth and development is valued. The letter grade system for accountability is determined by the Arizona Department of Education and measures year to year student academic growth, proficiency on English language arts, math and science, the proficiency and academic growth of English language learners, indicators that an elementary student is ready for success in high school and that high school students are ready to succeed in a career or higher education and high school graduation rates. While test scores are important measures of student achievement, they are not the only way to measure strong schools.
