If you are interested in starting your own business, there is a lot to learn.  Throughout the year we organize and operate fundraisers, plan and execute charitable events, and attend local and state meetings and competitions. There are competitions in every area of business including advertising, sales, social media, finance, and so much more  Members have the opportunity to apply for and win scholarships to help with future education.  Everyone is busy, so if you need to miss meetings that isn't a problem, just let me know  We meet once a month on Thursdays  Start Date: 9/19/23 2:30 to 3:20
