

CHAMPION SPOTLIGHT

QUARTERLY EMPLOYMENT REPORT

Sacred Heart Schools

Maria Paz Salas & Christy Crandall

Our Champion Spotlight this quarter has been awarded to Maria Paz Salas & Christy Crandall of Sacred Heart Schools.

Community Day Services Participants Claire N., Shea M., and Andy C. work as Lunchroom Assistants in the cafeteria at Sacred Heart. Beyond their usual jobs at SHS, the "Mis Team" helps out with service projects like the SHS Composting Bin & Halloween Candy Recycling Project: "Trash or Treasure." SHS also supports Misericordia as one of their Community Partners for which they raise awareness and money!

About the "Mis Team's" contributions at Sacred Heart, Paz says:

"Claire, Shea, and Andy bring sunshine and happiness to us at Sacred Heart Schools everyday! They work hard at their specific jobs and are always helping us to build community! They work amazingly well as a TEAM!"

Do you have any favorite memories or moments that stand out with our group?

"Favorite memories happen every week with the Team's enthusiasm to step in and help out. If it has to be one moment it is when Claire, Shea, and Andy came back to SHS after the pandemic restrictions.. Our school community was SO HAPPY to see them once again in person!"

How does it help the SHS students when Claire, Shea, and Andy speak to them on Community Partner Day?

"We are always grateful when our SHS Mis Team presents to our younger students, sharing about their life at Mis and encouraging our students to be kind. Our students gain a deeper understanding of what it is to live with developmental challenges and how the lives of our SHS Team are mostly like our students' lives. They are in awe of the support of an amazing place like Misericordia and how many activities and opportunities are afforded to them.

Thank you to Paz and Christy for being incredible Champions for our participants and for Misericordia. Your support is truly appreciated!
