Alex Russell

A Little History...

Mr. Russell has been with RCSD for 5 years and served as transportation supervisor for the last 2 years.

Mr. Russell supervises 24 drivers and has 11 buses in Pisgah's fleet.

What his drivers are saying...

Mr. Alex Russell has been an awesome transportation director for the past year and a half. He takes the care and interest of the students and bus drivers to heart. Russell is always willing to do whatever needs to be done; whether it is driving a route, pulling a camera to review film, taking care of discipline or fueling a bus. He does these many tasks without hesitation. Additionally, Mr. Russell gives a thumbs up and smiles to make sure everything is good. During drop-off in the morning, he greets the students and bus drivers and while the students are loading the buses in the afternoon, he makes sure everyone gets loaded safely, ending with "let's roll out Mrs. Mary" over the radio. If the bus drivers need anything his response is always "I got you covered."

In addition to being the transportation director, Mr. Russell is also involved in numerous other aspects of Pisgah High School. For instance, he teaches U.S. History, coaches cross country, and is also the assistant archery coach. Russell also helps with announcing at the pep rallies and other school-related functions. During the 22-23 school year he was named as the Star Teacher. In closing, Mr. Alex Russell is most definitely an integral part of our Dragon nation here at Pisgah High School.
